[Guide to Standard Floras of the World](#) Nov 02 2022 This 2001 book provides a selective annotated bibliography of the principal floras and related works of inventory for vascular plants. The second edition was completely updated and expanded to take into account the substantial literature of the late twentieth century, and features a more fully developed review of the history of floristic documentation. The works covered are principally specialist publications such as floras, checklists, distribution atlases, systematic iconographies and enumerations or catalogues, although a relatively few more popularly oriented books are also included. The Guide is organised in ten geographical divisions, with these successively divided into regions and units, each of which is prefaced with a historical review of floristic studies. In addition to the bibliography, the book includes general chapters on botanical bibliography, the history of floras, and general principles and current trends, plus an appendix on bibliographic searching, a lexicon of serial abbreviations, and author and geographical indexes.

Where the Sidewalk Ends Jan 24 2022 NOW AVAILABLE AS AN EBOOK! Shel Silverstein, the New York Times bestselling author of The Giving Tree, A Light in the Attic, Falling Up, and Every Thing On It, has created a poetry collection that is outrageously funny and deeply profound. Come in ... for where the sidewalk ends, Shel Silverstein's world begins. You'll meet a boy who turns into a TV set, and a girl who eats a whale. The Unicorn and the Bloath live there, and so does Sarah Cynthia Sylvia Stout who will not take the garbage out. It is a place where you wash your shadow and plant diamond gardens, a place where shoes fly, sisters are auctioned off, and crocodiles go to the dentist. Shel Silverstein's masterful collection of poems and drawings stretches the bounds of imagination and will be cherished by readers of all ages. This is a collection that belongs on everyone's bookshelf. Makes a great gift for special occasions such as holidays, birthdays, and graduation. And don't miss The Giving Tree by Shel Silverstein, also available as an ebook!

The Languages and Linguistics of South Asia Feb 10 2021 With nearly a quarter of the world 's population, members of at least five major language families plus several putative language isolates, South Asia is a fascinating arena for linguistic investigations, whether comparative-historical linguistics, studies of language contact and multilingualism, or general linguistic theory. This volume provides a state-of-the-art survey of linguistic research on the languages of South Asia, with contributions by well-known experts. Focus is both on what has been accomplished so far and on what remains unresolved or controversial and hence offers challenges for future research. In addition to covering the languages, their histories, and their genetic classification, as well as phonetics/phonology, morphology, syntax, and sociolinguistics, the volume provides special coverage of contact and convergence, indigenous South Asian grammatical traditions, applications of modern technology to South Asian languages, and South Asian writing systems. An appendix offers a classified listing of major sources and resources, both digital/online and printed.

No Presents Please Oct 28 2019 For readers of Jhumpa Lahiri and Rohinton Mistry, as well as Lorrie Moore and George Saunders, here are stories on the pathos and comedy of small - town migrants struggling to build a life in the big city, with the dream world of Bollywood never far away. Jayant Kaikini 's gaze takes in the people in the corners of Mumbai—a bus driver who, denied vacation time, steals the bus to travel home; a slum dweller who catches cats and sells them for pharmaceutical testing; a father at his wit 's end who takes his mischievous son to a reform institution. In this metropolis, those who seek find epiphanies in dark movie theaters, the jostle of local trains, and even in roadside keychains and lost thermos flasks. Here, in the shade of an unfinished overpass, a factory - worker and her boyfriend browse wedding invitations bearing wealthy couples ' affections—" no presents please " —and look once more at what they own. Translated from the Kannada by Tejaswini Niranjana, these resonant stories, recently awarded the DSC Prize for South Asian Literature, take us to photo frames, flower markets, and Irani cafes, revealing a city trading in fantasies while its strivers, eating once a day and sleeping ten to a room, hold secret ambitions close.

Unicode Demystified Jun 24 2019 Unicode is a critical enabling technology for developers who want to internationalize applications for global environments. But, until now, developers have had to turn to standards documents for crucial information on utilizing Unicode. In Unicode Demystified, one of IBM's leading software internationalization experts covers every key aspect of Unicode development, offering practical examples and detailed guidance for integrating Unicode 3.0 into virtually any application or environment. Writing from a developer's point of view, Rich Gillam presents a systematic introduction to Unicode's goals, evolution, and key elements. Gillam illuminates the Unicode standards documents with insightful discussions of character properties, the Unicode character database, storage formats, character sequences, Unicode normalization, character encoding conversion, and more. He presents practical techniques for text processing, locating text boundaries, searching, sorting, rendering

text, accepting user input, and other key development tasks. Along the way, he offers specific guidance on integrating Unicode with other technologies, including Java, JavaScript, XML, and the Web. For every developer building internationalized applications, internationalizing existing applications, or interfacing with systems that already utilize Unicode.

The Diary of a Young Girl Aug 07 2020 THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating." —The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

The Oxford Guide to Literature in English Translation Jul 18 2021 Translation has been a crucial process in world culture over the past two millennia and more. In the English-speaking cultures many of the most important texts are translations, from Homer to Beckett, the Bible to Freud. Although recent years have seen a boom in translation studies, there has been no comprehensive yet convenient guide to this essential element of literature in English. Written by eminent scholars from many countries, the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature. It highlights the place of translation in our culture, encouraging awareness of the issues raised, making the translator more 'visible'. Concentrating on major writers and works, it covers translations out of many languages, from Greek to Korean, from Swahili to Russian. For some works (e.g. Virgil's Aeneid) which have been much translated, the discussion is historical and critical, showing how translation has evolved over the centuries and bringing out the differences between versions. Elsewhere, with less familiar literatures, the Guide examines the extent to which translation has done justice to the range of work available. The Guide is divided into two parts. Part I contains substantial essays on theoretical questions, a pioneering outline of the history of translation into English, and discussions of the problems raised by specific types of text (e.g. poetry, oral literature). The second, much longer, part consists of entries grouped by language of origin; some are devoted to individual texts (e.g. the Thousand and One Nights) or writers (e.g. Ibsen, Proust), but the majority offer a critical overview of a genre (e.g. Chinese poetry, Spanish Golden Age drama) or of a national literature (e.g. Hungarian, Scottish Gaelic). There is a selective bibliography for each entry and an index of authors and translators.

I Wandered Lonely as a Cloud May 28 2022 "The classic Wordsworth poem is depicted in vibrant illustrations, perfect for pint-sized poetry fans."
