Nothing is Given Aug 10 2020 An American athlete, Horace Nguyen almost strives to make the roster of a junior college basketball team. Through determination and hard work, he broke the starting lineup and received a scholarship to continue to play at a 4-year university. He went on to tryout and made the team in the new Vietnam Basketball Association. Coincidentally, he played for the city where his parents are from. There he must learn the culture, the demand, the business, and politics of the game.

The Rape of Troy Sep 03 2022 Homer's epics reflect an eighth-century BCE world of warrior tribes that were fractured by constant strife; aside from its fantastic scale, nothing is exceptional about Troy's conquest by the Greeks. Using a fascinating and innovative approach, Professor Gottschall analyses Homeric conflict from the perspective of modern evolutionary biology, attributing its intensity to a shortage of available young women. The warrior practice of taking enemy women as slaves and concubines meant that women were concentrated in the households of powerful men. In turn, this shortage drove men to compete fiercely over women: almost all the main conflicts of the Iliad and Odyssey can be traced back to disputes over women. The Rape of Troy integrates biological and

humanistic understanding - biological theory is used to explore the ultimate sources of pitched Homeric conflict, and Homeric society is the subject of a bio-anthropological case study of why men fight.

***The Epic in Film* Mar 05 2020 Constantine Santas encourages us to wonder why critics have routinely dismissed the epic film. In *The Epic in Film*, Santas argues that 'blockbuster' and 'artistic' are not mutually exclusive terms and that epic film is an inherently profound genre in its ability to tap into a nation's dreams and fears. Whether you love *Gone with the Wind* or hate *Troy*, find Akira Kurosawa's films brilliant or marvel over the *Matrix* trilogy, film buffs will want to read this book.**

Rise Again Sep 10 2020 Rise Again marks a vivid and powerful fiction debut from an author who “balances kinetically choreographed scenes of zombie carnage with studies of well-drawn characters and enough political intrigue to give his tale more gravity and grounding than most zombie gorefests” (Publishers Weekly). A mysterious contagion. Mass hysteria. Sudden death. And a warning that would come all too late... Forest Peak, California. Fourth of July. Sheriff Danielle Adelman, a troubled war veteran, thinks she has all the problems she can handle in this all-American town after her kid sister runs away from home. But when a disease-stricken horde of panicked refugees fleeing the fall of Los Angeles swarms her small mountain community, Danny realizes her problems have only just begun—starting with what might very well be the end of the world. Danny thought she had seen humanity at its worst in war-torn Iraq, but nothing could prepare her for the remorseless struggle to survive in a dying world being overrun by the reanimated dead and men turned monster. Obsessed with finding her missing sister against all odds, Danny's epic and dangerous journey across the California desert will challenge her spirit . . . and bring her to the precipice of sanity itself. . .

Capturing Troy Mar 29 2022 An investigation into how imagery on Greek vases is

or is not used as narrative, and the extent to which visual imagery depends upon literary sources

The Fall of Troy Apr 29 2022 Fakes, forgeries and plagiarism abound in Ackroyd's brilliant historical novel, set in the 19th century during the excavation of the Bronze Age site of Troy. "I cannot wait to bring you to the plain of Troy. To show you the place where Hector and Achilles fought. To show you the palace of Priam. And the walls where the Trojan women watched their warriors in battle with the invader. It will stir your blood, Sophia." Sophia Chrysanthis is only 16 when the German archaeologist, Herr Obermann, comes wooing: he wants a Greek bride who knows her Homer. Sophia passes his test, and soon she is tying canvas sacking to her legs so that she can kneel on the hard ground in the trench, removing the earth methodically, identifying salient points, lifting out amphorae and bronze vessels without damaging them. "Archaeology is not a science," Obermann says. "It is an art." Obermann is very good at the art of archaeology -- perhaps too good at it. The atmosphere at Troy is tense and mysterious. Sophia finds herself increasingly baffled by the past . . . not only the remote past that Obermann is so keen to share with her in the form of his beloved epics of the Trojan wars, but also his own, recent past -- a past that he has chosen to hide from her. But she, too, is very good at the art of archaeology . . . "From the Hardcover edition."

Goddess of Yesterday May 19 2021 Anaxandra is taken from her birth island at age 6 by King Nicander to be a companion to his crippled daughter, Princess Callisto. Six years later, her new island is sacked by pirates and she is the sole survivor. Alone with only her Medusa figurine, she reinvents herself as Princess Callisto when Menelaus, great king of Sparta, lands with his men. He takes her back to Sparta with him where Helen, his beautiful wife, does not believe that the red-headed child is Princess Callisto. Although fearful of the half-mortal, half-goddess Helen, Anaxandra is able to stay out of harm's way—until the Trojan princes Paris and Aeneas arrive. Paris and Helen's fascination with each other soon turns to passion and plunges Sparta and Troy into war. Can Anaxandra find the courage to reinvent herself once again, appease the gods, and save herself? In Caroline B. Cooney's epic tale of one girl's courage and will to survive, Anaxandra learns that home is where you make it and identity goes deeper than just your

name.

Shakespeare's Troy May 31 2022 Heather James examines the ways in which Shakespeare handles the inheritance and transmission of the Troy legend. She argues that Shakespeare's use of Virgil, Ovid and other classical sources demonstrates the appropriation of classical authority in the interests of developing a national myth, and goes on to distinguish Shakespeare's deployment of the myth from 'official' Tudor and Stuart ideology. James traces Shakespeare's reworking of the myth in *Troilus and Cressida*, *Antony and Cleopatra*, *Cymbeline* and *The Tempest*, and shows how the legend of Troy in Queen Elizabeth's day differed from that in the time of King James. The larger issue the book confronts is the directly political one of the way in which Shakespeare's textual appropriations participate in the larger cultural project of finding historical legitimation for a realm that was asserting its status as an empire.

Praying Through the Minor Prophets Aug 29 2019 Twelve books nestled into the back of the Old Testament. Seldom read. Ignored mostly, except for the story about Jonah and the occasional prophecy for Christ. But Hosea through Malachi have an important reoccurring theme that we need to remember today: God does not overlook sin and one day He will judge the world for its behavior. If He didn't let His people off the hook then for their obsession with idols and love for the world, God won't be kind now when He judges the entire world in the future. God is also about restoration and bringing His people home. During the time of the minor prophets, that home was Jerusalem. For us, that home will be heaven and the eternal kingdom of God. Horrors and hope. That's what the minor prophets were about then and what their message says to us now. **PRAYING THROUGH THE BIBLE SERIES** What is God's word? Simply put, it is the word of God spoken to people long ago who transcribed that information into writing. That writing was meticulously passed down for thousands of years to speak to us today. How did God speak to people in Bible times? * Audibly - God spoke directly to people who heard him with their ears or in their heart.* Through situations - God spoke through the actions and events of this world.* Through people - God spoke

through leaders, kings and prophets who proclaimed God's purpose.* Through prophecy - God spoke about future events, then those events happened.* Scripture - God spoke through his written word when people read those words later.* Prayer - God spoke through the prayers of people. **PRAYING THROUGH THE BIBLE SERIES** recognizes the power of God speaking to mankind through His Scriptures. God's word was not only meant to be read, but applied. We must apply ourselves to these passages and adjust our lives to God's will. Today, God uses many ways to speak to us. This book incorporates those avenues of communication to ensure that God will speak to you during your quiet time with Him. Each section asks the reader to do six things. 1. Read the passage. Open up the Bible and read His Word. 2. Memorize the passage. A certain verse is given special focus. Commit it to memory. Remember it all day. 3. Understand the passage. Background information (Time, Characters, Place, What's Happening) help you to understand the context of the section you are reading. 4. Read the prayer. Read the written prayer as if it is from your heart. Don't recite them as words from a page, but a plea from your soul. 5. Keep praying. Prayer prompts are there to help you continue praying about other specific areas. Listen to the Holy Spirit and see if there is more you need to pray. 6. Journal your thoughts. In the space provided, write down some thoughts that you feel God said to you during this time. Every five sections I've included a "Prayer Thoughts" page to give you more room to journal your thoughts and write down prayer requests as you go through the Bible. Get ready to spend some quality time with God. Get ready for God to speak to you through His Word.

Herman Melville Jun 19 2021 A comprehensive exploration of Melville's formative years, providing a new biographical foundation for today's generations of Melville readers **Herman Melville: A Half Known Life, Volumes 1 and 2**, follows Herman Melville's life from early childhood to his astonishing emergence as a bestselling novelist with the publication of *Typee* in 1846. These volumes comprise the first half of a comprehensive biography on Melville, grounded in archival research, new scholarship, and incisive critical readings. Author John Bryant, a distinguished Melville scholar, editor, critic, and educator, traces the events and experiences that shaped the many-stranded consciousness of one of literature's greatest writers. This in-depth and innovative biography covers Melville's family history and literary friendships, his father-longing, god-hunger, and search for the hidden nature of Being, the genesis of his liberal politics, his empathy for African Americans, Native Americans, Polynesians, South Americans, and immigrants. Original perspectives on Melville's earliest identities— orphaned son, sibling, farmer, teacher, debater, lover, actor, sailor—provide the context for Melville's evolution as a writer. The biography presents new information regarding Melville's reading, his early orations and acting experience, his life at sea and on the road, and the unsettling death of his older, rival brother from mercury poisoning. It provides insights on experiences such as Melville's trauma at the loss of his father, his learning to write amidst a coterie siblings, his struggles to find work

during economic depression, his journey West, his life in whaling and in the navy, and his vagabondage in the South Pacific during the moment of American and European imperial incursions. A significant addition to Melville scholarship, this important biographical work: Explores the nature and development of Melville's creative consciousness, through the lens of his revisions in manuscript and print Assesses Melville's sexual growth and exploration of the spectrum of his masculinities Highlights Melville's relevance in contemporary democratic society Discusses Melville's blending of dark humor and tragedy in his unique version of the picturesque Examines the 'replaying' of Melville's life traumas throughout his entire works, from Typee, Omoo, Redburn, White-Jacket, Moby-Dick, Pierre, Israel Potter, and The Confidence-Man to his shorter works, including "Bartleby," his epic Clarel, his poetry, and his last novella Billy Budd Covers such cultural and historical events as the American revolution of his grandparents, the whaling industry, New York slavery, street life and theater in Manhattan, the transatlantic slave trade, the Jacksonian economy, Indian removal, Pacific colonialism, and westward expansion Written in an engaging style for scholars and general readers alike, Herman Melville: A Half Known Life, Volumes 1 and 2 is an indispensable new source of information and insights for those interested in Melville, 19th-century and modern literature and culture, and readers of general American history and literary culture.
