Each chapter provides comprehensive subject matter coverage with numerous examples to help you build confidence and content mastery. Mixed drill sets help you develop accuracy and speed. All practice problems include detailed answer explanations written by top-scorers.

Goodbye to All That Apr 14 2021 In 1967, Joan Didion wrote an essay called Goodbye to All That, a work of such candid and penetrating prose that it soon became the gold standard for personal essays. Like no other story before it, Didion's tale of loving and leaving New York captured the mesmerizing allure Manhattan has always had for writers, poets, and wandering spirits. In this captivating collection, 28 writers take up Didion's literary legacy by sharing their own New York stories. Their essays often begin as love stories do, with the passion of something newly discovered—the crush of subway crowds, the streets filled with manic energy, and the sudden, unblinking certainty that this is the only place on Earth where one can become exactly who she is meant to be. They also share the grief that comes like a gut-punch, when the metropolis loses its magic and the pressures of New York's frenetic life wear thin on even the most fervent dwellers. As friends move away, rents soar, and love still remains just out of reach, each writer's goodbye to New York is singular and universal, like New York itself. With Cheryl Strayed, Dani Shapiro, Emma Straub, Ann Hood, and more.

[50 Real Law School Personal Statements](#) Aug 26 2019 What qualities characterize a winning personal statement? How does a mediocre personal statement become one that leads to acceptance at a top law school? Manhattan Review GRE Analytical Writing Guide Sep 19 2021

Business School Essays that Made a Difference Sep 27 2019 Essays That Scored What makes business school applications so brutal? For most applicants, it's the number, length, and complexity of the essays they have to write. Most top schools require multiple essays, and this book is your best bet for acing them all. 1. Forty-four real-life essays critiqued by admissions officers from Tuck, Chicago, MIT, Michigan, Babson, and more 2. Eight case studies of b-school applicants—what worked and what didn't 3. Essay question translations—what they're really asking 4. Insider advice from admissions officers and current MBA students at the following schools: Columbia Business School; Freeman School of Business, Tulane; Haas School of Business, UC Berkeley; Olin Graduate School of Business, Babson; University of Chicago's Graduate School of Business Inside you'll find application essays from the following business schools: Freeman School of Business, Tulane Kenan-Flagler Business School, UNC-Chapel Hill McCombs School of Business, U Texas-Austin Olin Graduate School of Business, Babson College Peter F. Drucker Graduate School of Management, Claremont Graduate University Rutgers Business School Simon Graduate School of Business Administration, U of Rochester Sloan School of Management, MIT Tippie School of Management, University of Iowa Tuck School of Business, Dartmouth University of Chicago's Graduate School of Business University of Michigan Business School Weatherhead School of Business, Case Western Reserve

[Here is New York](#) Feb 22 2022 In the summer of 1948, E.B. White sat in a New York City hotel room and, sweltering in the heat, wrote a remarkable pristine essay, Here is New York. Perceptive, funny, and nostalgic, the author's stroll around Manhattan—with the reader arm-in-arm—remains the quintessential love letter to the city, written by one of America's foremost literary figures. Here is New York has been chosen by The New York Times as one of the ten best books ever written about the city. The New Yorker calls it [the] wittiest essay, and one of the most perceptive, ever done on the city.

5 lb. Book of GRE Practice Problems Mar 14 2021 Manhattan Prep's 5 lb. Book of GRE Practice Problems is an essential resource for students of any level who are preparing for the GRE revised General Exam. Recently updated to more closely reflect the nuances of the GRE exam, this book offers more than 1,800 questions across 33 chapters and online to provide students with comprehensive practice. Developed by our expert instructors, the problems in this book are sensibly grouped into practice sets and mirror those found on the GRE in content, form, and style. Students can build fundamental skills in math and verbal through targeted practice while easy-to-follow explanations and step-by-step applications help cement their understanding of the concepts tested on the GRE. In addition, students can take their practice to the next level with online question banks that provide realistic, computer-based practice to better simulate the GRE test-taking experience. Purchase of this book includes access to an online video introduction, online banks of GRE practice problems, and the GRE Challenge Problem Archive.

GMAT Algebra Strategy Guide May 04 2020 Grasp core concepts and fundamental rules for solving every type of algebraic problem, even those that are designed by the GMAT to trip you up. Master essential techniques and practice algebraic manipulations as you work through linear and quadratic equations, functions, formulas, inequalities, and more.

GMAT Number Properties Aug 07 2020 Adapting to the ever-changing GMAT exam, Manhattan Prep's 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind. The GMAT Number Properties strategy guide delves into all the characteristics of numbers tested on the GMAT, covering both simple and complicated concepts. Using the fundamental techniques and nuanced strategies developed in this guide, students will be able to tackle even the toughest GMAT problems involving prime numbers, consecutive integers, and many other topics. Unlike other guides that attempt to convey everything in a single tome, the GMAT Number Properties strategy guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the GMAT Number Properties strategy guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Prep's Number Properties Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with the GMAC Official Guide, 2016 edition.

GMAT Advanced Quant Apr 26 2022 GMAT Advanced Quant is designed for students seeking an extremely high GMAT quant score. It offers essential techniques for approaching the GMAT's most difficult math problems, along with extensive practice on very challenging problems. This edition includes 55 new practice problems. Written for students striving for a perfect score of 51 on the quant section by instructors who have achieved that score this book combines elite strategies for problem solving and data sufficiency with intense practice to build your high-level quantitative skills. The guide includes more than 250 very challenging problems, including 55 that are new to this edition. GMAT Advanced Quant comes with access to Atlas, your online learning platform. Atlas includes additional practice problems, a full-length adaptive practice exam, interactive video lessons, strategies for time management, and many other study resources. Tackle the GMAT's toughest quant problems with Manhattan Prep, the world's leading GMAT Prep company. To get into top business programs, you need top GMAT scores, and GMAT Advanced Quant is designed to get you there. Note: This guide is recommended for those already scoring 47 or higher on the quant section of the GMAT; to work up to a score of 47, check out Manhattan Prep's All the Quant guide.

Outdoor Monuments of Manhattan Jul 06 2020 Stop, look, and discover the streets and parks of Manhattan are filled with beautiful historic monuments that will entertain, stimulate, and inspire you. Among the 54 monuments in this volume are major figures in American history: Washington, Lincoln, Lafayette, Horace Greeley, and Gertrude Stein; more obscure figures: Daniel Butterfield, J. Marion Sims, and King Jagiello; as well as the icons of New York: Atlas, Prometheus, and the Firemen's Memorial. The monuments represent the work of some of America's best sculptors: Augustus Saint Gaudens' Farragut and Sherman, Daniel Chester French's Four Continents, and Anna Hyatt Huntington's José Martí and Joan of Arc. Each monument, illustrated with black-and-white photographs, is located on a map of Manhattan and includes easy-to-follow directions. All the sculptures are considered both as historical mementos and as art. We learn of furious General Sherman court-martialing a civilian journalist, and also of exasperated Saint Gaudens' proposing a hook-and-spring device for improving his assistants' artistic acuity as they help model Sherman. We discover how Lincoln dealt with a vociferous Confederate politician from Ohio, and why the Lincoln in Union Square doesn't rank as a top-notch Lincoln portrait. Sidebars reveal other aspects of the figure or event

commemorated, using personal quotes, poems, excerpts from nineteenth-century periodicals (New York Times, Harper's Weekly), and writers ranging from Aeschylus, Washington Irving, and Frederic-Auguste Bartholdi to Mark Twain and Henryk Sienkiewicz. As a historical account, *Outdoor Monuments of Manhattan: A Historical Guide* is a fascinating look at figures and events that changed New York, the United States and the world. As an aesthetic handbook it provides a compact method for studying sculpture, inspired by Ayn Rand's writings on art. For residents and tourists, and historians and students, who want to spend more time viewing and appreciating sculpture and New York history, this is the start of a unique voyage of discovery.

Waterfront Jul 26 2019 East Side, West Side, from the Little Red Lighthouse to Battery Park City, the wonders of Manhattan's waterfront are both celebrated and secret—hidden in plain sight. In his brilliant exploration of this defining yet neglected shoreline, personal essayist Philip Lopate also recovers a part of the city's soul. A native New Yorker, Lopate has embraced Manhattan by walking every inch of its perimeter, telling stories on the way of pirates (Captain Kidd) and power brokers (Robert Moses), the lowly shipworm and Typhoid Mary, public housing in Harlem and the building of the Brooklyn Bridge. He evokes the magic of the once bustling old port from Melville's and Whitman's day to the era of the longshoremen in *On the Waterfront*, while appraising today's developers and environmental activists, and probing new plans for parks and pleasure domes with river views. Whether escorting us into unfamiliar, hazardous crannies or along a Beaux Arts esplanade, *Waterfront* is a grand literary ramble and defense of urban life by one of our most perceptive observers.

[Goodbye to All That \(Revised Edition\)](#) Jun 16 2021 From Roxane Gay to Leslie Jamison, thirty brilliant writers share their timeless stories about the everlasting magic—and occasional misery—of living in the Big Apple, in a new edition of the classic anthology. In the revised edition of this classic collection, thirty writers share their own stories of loving and leaving New York, capturing the mesmerizing allure the city has always had for writers, poets, and wandering spirits. Their essays often begin as love stories do, with the passion of something newly discovered: the crush of subway crowds, the streets filled with manic energy, and the sudden, unblinking certainty that this is the only place on Earth where one can become exactly who she is meant to be. They also share the grief that comes like a gut-punch, when the grand metropolis loses its magic and the pressures of New York's frenetic life wear thin for even the most dedicated dwellers. As friends move away, rents soar, and love—still—remains just out of reach, each writer's goodbye is singular and universal, just like New York itself.

[Bartleby in Manhattan and Other Essays](#) Mar 26 2022

Anne of Manhattan Nov 29 2019 L. M. Montgomery's classic tale, *Anne of Green Gables*, gets a romantic, charming, and hilarious modern adaptation, set in New York City. After an idyllic girlhood in Avonlea, Long Island, Anne has packed up her trunk, said goodbye to her foster parents, Marilla and Matthew, and moved to the isle of Manhattan for grad school. Together with her best friend, Diana Barry, she's ready to take on the world and find her voice as a writer. When her long-time archrival Gilbert Blythe shows up at Redmond College for their final year, Anne gets the shock of her life. Gil has been in California for the last five years—since he kissed her during a beach bonfire, and she ghosted him. Now the handsome brunette is flashing his dimples at her like he hasn't a care in the world and she isn't buying it. Paired with the same professor for their thesis, the two former competitors come to a grudging peace that turns into something so much deeper—and sexier than either intended. But when Gil seemingly betrays her to get ahead, Anne realizes she was right all along—she should never have trusted Gilbert Blythe. While Gil must prove to Anne that they're meant to be together, she must come to terms with her old fears if she wants a happily-ever-after with the boy she's always (secretly) loved.

[GMAT Integrated Reasoning and Essay](#) Aug 31 2022 Adapting to the ever-changing GMAT exam, Manhattan Prep's 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind. The GMAT Integrated Reasoning and Essay strategy guide demystifies the Integrated Reasoning section, which demands a blend of mathematical and verbal proficiency. This book equips students with the core strategies and tools for tackling difficult Integrated Reasoning questions. It also provides effective techniques for approaching the essay portion of the GMAT. Unlike other guides that attempt to convey everything in a single tome, the GMAT Integrated Reasoning and Essay strategy guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. All of Manhattan Prep's GMAT Strategy Guides are aligned with the GMAC Official Guide, 2016 edition.

My Misspent Youth Jan 30 2020 With a new introduction. One of Flavorwire's 25 Greatest Essay Collections of All Time. Meghan Daum is one of the most celebrated nonfiction writers of her generation, widely recognized for her fresh, provocative approach with which she unearths the hidden fault lines in the American landscape. From her well remembered New Yorker essays about the financial demands of big-city ambition and the ethereal, strangely old-fashioned allure of cyber-relationships to her dazzlingly hilarious riff in Harper's about musical passions that give way to middle-brow paraphernalia, Daum delves into the centre of things while closely examining the detritus that spills out along the way. With precision and well-balanced irony, Daum implicates herself as readily as she does the targets that fascinate and horrify her.

GMAT Fractions, Decimals, & Percents Apr 02 2020 Grasp the core concepts and fundamental rules tested on the GMAT. Master the "second level" of GMAT study: strategies for decoding and solving FDP problems written in the GMAT's specific way of asking questions. Master essential techniques; learn to manipulate fractions, decimals, digits, percents, and ratios.

Luckiest Girl Alive Jun 04 2020 "In a riveting debut novel that reads like Prep meets Gone Girl, a young woman is determined to create the perfect life--husband, home, and career--until a violent incident from her past threatens to unravel everything and expose her most shocking secret of all. Twenty-eight-year-old New Yorker Ani FaNelli seems to have it all: she's a rising star at The Women's Magazine, impossibly fit, perfectly groomed, and about to marry Luke Harrison, a handsome blueblood. But behind that veneer of perfection lies a vulnerability that Ani holds close and buries deep--a very violent and public trauma from her past that has left her constantly trying to reinvent herself. And only she knows how far she would go to keep her secrets safe. When a documentary producer invites Ani to tell her side of the chilling incident that took place when she was a teenager at the prestigious Bradley School, she hopes it will be an opportunity for public vindication. Armed with the trappings of success--expensive clothes, high-powered byline, a massive engagement ring--she is determined to silence the whispers of suspicion and blame from her past, and prove once and for all how far she's come since Bradley. She'll even let them film her lavish wedding on Nantucket, the final step in her transformation. But perfection doesn't come without cost. As the wedding and filming converge, Ani's meticulously crafted facade begins to buckle and crack--until an explosive revelation offers her a final chance at redemption, even as it rocks her picture-perfect world. Equal parts glitz and darkness, and with a singular voice and twisting plot, Luckiest Girl Alive reads like Sex & the City--if Carrie Bradshaw had a closet full of skeletons instead of shoes. In Ani FaNelli, Jessica Knoll has created a complex and vulnerable heroine who you'll be rooting for to the very last page"--

GMAT Integrated Reasoning Practice Questions Nov 09 2020 a) Provides essential practice for the newly introduced reasoning sections b) Covers all four question types of the integrated reasoning section c) Includes answers & in-depth explanations d) Questions based on real-world data

Complete GMAT Strategy Guide Set, 6th Edition May 16 2021 Adapting to the ever-changing GMAT exam, Manhattan Prep's 6th Edition
