Animal Kingdom of Heaven Aug 26 2019 Millennium transcends boundaries – between epochs and regions, and between disciplines. Like the Millennium-Jahrbuch, the journal Millennium-Studien pursues an international, interdisciplinary approach that cuts across historical eras. Composed of scholars from various disciplines, the editorial and advisory boards welcome submissions from a range of fields, including history, literary studies, art history, theology, and philosophy. Millennium-Studien also accepts manuscripts on Latin, Greek, and Oriental cultures. In addition to offering a forum for monographs and edited collections on

diverse topics, Millennium-Studien publishes commentaries and editions. The journal primarily accepts publications in German and English, but also considers submissions in French, Italian, and Spanish. If you want to submit a manuscript please send it to the editor from the most relevant discipline: Wolfram Brandes, Frankfurt (Byzantine Studies and Early Middle Ages): brandes@rg.mpg.de Peter von Möllendorff, Gießen (Greek language and literature): peter.v.moellendorff@klassphil.uni-giessen.de Dennis Pausch, Dresden (Latin language and literature): dennis.pausch@tu-dresden.de Rene Pfeilschifter, Würzburg (Ancient History): Rene.Pfeilschifter@uni-wuerzburg.de Karla Pollmann, Bristol (Early Christianity and Patristics): K.F.L.Pollmann@bristol.ac.uk All manuscript submissions will be reviewed by the editor and one outside specialist (single-blind peer review).

The Italian Emblem Dec 11 2020 The Italian Emblem: A Collection of Essays is the twelfth in the series 'Glasgow Emblem Studies'. This volume is linked to a project for the study and digitization of Italian emblem books held in the Stirling Maxwell Collection (Glasgow), financed by the Sixth EU Framework Programme for activities in the field of research. It aims at exploring the history, forms, themes of the Italian emblem tradition, with particular attention to sixteenth-century emblem books and their open, multifaceted, and metamorphic nature. To capture this nature, the volume includes contributions from different disciplines, ranging from literature to history of art and political philosophy, supplied by the following distinguished scholars: Guido Arbizzoni (University of Urbino 'Carlo Bo'), Monica Calabritto (Hunter College, CUNY), Giuseppe Cascione (University of Bari), Sonia Maffei (University of Bergamo), Anna Maranini (University of Bologna), Liana de Girolami Cheney (University of Massachusetts Lowell), Silvia Volterrani (CTL-Scuola Normale Superiore, Pisa). Teologia mariana Sep 27 2019 Scrivere teologicamente di Maria è un atto di fede e di coraggio. Di fede, perché Maria ha una posizione e un ruolo fondamentali nella storia della salvezza accanto a Cristo, in contesto trinitario ed ecclesiale, ed è parte integrante della riflessione teologica e dell'esperienza di fede. Non è questione, infatti, di semplice dottrina, ma anche di un rapporto vitale nei confronti della Madre del Signore. Come ha scritto Karl Rahner, «La devozione reale e autentica a Maria, nella preghiera piena di confidenza in lei, ci può permettere di misurare fino a che punto siamo giunti a penetrare effettivamente, al di là di una fede generica in Dio, la realtà concreta intesa dalla fede cristiana». È anche un atto di coraggio parlare biblicamente, teologicamente e antropologicamente di Maria. Persiste sempre il pregiudizio che la Scrittura parli poco di Maria e che un discorso teologico su di lei sia riduttivo e perfino aleatorio. Uno studio sulla Vergine richiede dunque un certo coraggio e contempla un margine di rischio. Il volume si colloca in una collana di testi rigorosi e agili a un tempo, rivolti soprattutto al pubblico di università, facoltà teologiche, istituti di scienze religiose e seminari.

Rapa Nui – Easter Island Jun 24 2019 Easter Island (or Rapa Nui) has long captivated travellers and explorers since it was first encountered by European voyagers in 1722. The island's colossal stone carvings (moai) have been the primary attraction, yet these have overshadowed the broader culture of the Rapanui people. This significant edited collection brings together thirteen specialists from eight countries in a series of studies that address the pre-history, history, contemporary society and popular culture of Easter Island. Consideration is given to both the Rapanui and western cultures with topics covered including archaeology, anthropology, linguistics, tourism, literature, comic books and music. This is a multidisciplinary book with

subjects ranging from fact to fiction and from Thor Heyerdahl and Katherine Routledge to Indiana Jones and Lara Croft.

The Spirit of Father Damien Apr 02 2020 Father Damien, famous for his missionary work with exiled lepers on the Hawaiian island of Molokai, is finally Saint Damien. His sanctity took 120 years to become officially recognized, but between his death in 1889 and his canonization in 2009--amid creeping secularization and suspicion of the missionary spirit he so much embodied--Fr. Damien De Veuster never faded from the world's memory. What kept him there? What keeps him there now? To find an answer, Belgian historian and journalist Jan De Volder sifted through Father Damien's personal correspondence as well as the Vatican archives. With careful and even-handed expertise, De Volder follows Father Damien's transformation from the stout, somewhat haughty missionary of his youth, bounding from Europe to Hawaii and straight into seemingly tireless priestly work, to the humble and loving shepherd of souls who eventually succumbed to the same disease that ravaged his flock. De Volder finds that--as spiritual father, caretaker, teacher, and advocate--Father Damien accomplished many heroic feats for these poor outcasts. Yet the greatest gift he gave them was their transformation from a disordered, lawless throng exiled in desperate anarchy into a living community built on Jesus Christ, a community in which they learned to care for one another. Every generation seems to have its own image of this world-famous priest. Already during his life on Molokai and at his death in 1889, many considered him a holy man. Even today, in the highly secularized Western world, he is widely admired. In 2005 his native Belgium honored him with the title "the greatest Belgian" in polling conducted by their public broadcasting service. Statues honor his memory in the National Statuary Hall of the U.S. Capitol in Washington, D.C., and at the entrance to the Hawaiian State Capitol in Honolulu. In 1995, in the presence of Mother Teresa of Calcutta, Pope John Paul II beatified him in Brussels, Belgium; and in 2009 Pope Benedict XVI canonized him in St. Peter's Basilica in Rome. Today Father Damien is the unofficial patron of outcasts and those afflicted with HIV/AIDS. Illustrated with many photos. De Volder contends that the common thread running through the saint's life, the spirit of Father Damien that so speaks to the world, is at once uniquely Christian, fully human, and as important today as ever before.

Lessico europeo Nov 02 2022 Questo volume presenta un nuovo approccio allo studio della letteratura tedesca, tentandone un'esplorazione semantica a partire dal lessico. Propone un'indagine di quattordici parole-chiave fra Otto- e Novecento, riconducibili al tema del "movimento", in un ambito semantico complesso, nel quale si delinea la centralità del rapporto tra parola e pensiero, lingua e corpo nella moderna cultura letteraria tedesca ed europea. Il corpus è formato dall'opera di Büchner, Celan, Heine, Hölderlin, Kleist, Rilke, esplorata grazie a risorse elettroniche avanzate (dalle edizioni critiche digitalizzate ai database testuali e lessicali interrogabili on-line), con attenzione ai contesti d'uso dei lemmi, alle gradazioni semantiche e all'intertestualità. Il progetto del Lessico europeo-Sezione tedesca si inserisce nella metodologia inaugurata dal Lessico Leopardiano ed è la prima tappa di uno studio che si estenderà ad altre costellazioni semantiche e ad altre lingue del panorama europeo.

Elizabeth I's Italian Letters Feb 22 2022 This is the first edition ever of the Queen's correspondence in Italian. These letters cast a new light on her talents as a linguist and provide interesting details as to her political agenda, and on the cultural milieu of her court. This book provides a fresh analysis of the surviving evidence concerning Elizabeth's learning and use of Italian, and of the activity of the members of her 'Foreign Office.' All of the documents transcribed here are accompanied by a short introduction focusing on their content and context, a brief description of their transmission history, and an English translation.

An Astrological Guide for Broken Hearts Oct 01 2022 NOW A NETFLIX ORIGINAL SERIES Frustrated at the path her life has taken, Alice decides to take control of her personal life using astrology as her guide in this quirky, steamy, and hilarious romantic comedy. Alice Bassi is (a little) over thirty, single (not by choice), and she can't help but feel that she is failing at this whole adulthood thing. She's stuck in a dead-end job, just found out her ex-boyfriend is engaged to his pregnant girlfriend, and Richard Gere hasn't shown up with

flowers and a limo to save her from it all. On one particularly disastrous morning—when Alice would much rather have stayed home, curled up with her favorite rom-coms—she meets Davide Nardi. Handsome yet indecipherable, Davide would be the leading man of Alice's dreams—if only he weren't the "hatchet man" brought in to help streamline production and personnel at the small television network she works for. In the midst of all this, Alice runs into Tio—an actor and astrology expert who is convinced he can turn her life around with a little help from the stars. Skeptical but willing, Alice decides to take Tio's advice and only date men whose Zodiac signs are compatible with hers. Unfortunately, it turns out that astrological affinity doesn't always guarantee a perfect match, nor prevent a series of terrible dates, disappointments, and awkward surprises. It also doesn't keep Davide from becoming more attractive every day. Perfect for fans of Bridget Jones's Diary and Star-Crossed, *An Astrological Guide for Broken Hearts* is a witty, sexy, and relatable portrait of a modern woman's search for love and a dream job, only to discover that your destiny isn't always written in the stars.

Practical Methods in Microscopy Mar 26 2022 This book gives the private worker, in simple and concise language, detailed directions for the many processes that he must learn in order to make practical use of the microscope.

Origeniana Nona Apr 26 2022 This volume contains the written versions of the lectures delivered by the participants of the Colloquium Origenianum Nonum held in Pecs (Hungary, 29 August - 2 September 2005). The main topic of the conference was Origen and the religious practice of his time. Here 49 scholars from some 18 countries publish their newest findings on the greatest and most influential Christian thinker before Augustine, who laid the foundation of the Biblical textual studies, created systematic theology, and was regarded as an authentic spiritual leader of Christianity. The papers not only provide the best overview on a lively field of studies but also demonstrate how Origen's heritage in Christian history, theology and spirituality carried with it the imprint of one of the most vital traditions of our civilization. Similarly to the volumes of the earlier conferences (Boston 1989, Chantilly 1993, Hofgeismar-Marburg 1997 and Pisa 2001), the contributions are published by the series *Bibliotheca Ephemeridum Theologicarum Lovaniensium*.

The 9.5mm Vintage Film Encyclopaedia Jun 04 2020 Written in both English and French, The 9.5mm Vintage Film Encyclopaedia provides a single-volume, comprehensive catalogue of all known 9.5mm film releases, including: Films: Comprising 12,460 individual entries, this A-Z reference index provides the main listing for each film and its origin where known, along with additional information including cast and crew, and cross references to other relevant material. People: This index of all known actors and film crew, comprising over 12,000 names, provides a listing which is cross referenced to the main entry for each original film they worked on. Numbers: Pathé-Baby/Pathéscope and other distributors' catalogue numbers, film length, release dates (where known) and the series in which the films were organised, are set out in detail. With a foreword from eminent film historian and filmmaker, Keith Brownlow, this extensively researched text explains the importance of the 9.5mm film, from its beginnings in the early 1920s to becoming synonymous with Home Cinema throughout Europe. Readers will also find a brief technical explanation on how 9.5mm films were produced, along with relevant images.

Le meraviglie del cuore Nov 21 2021 Interamente incentrato sul cuore, culla dello spirito e sede della conoscenza, questo libro testimonia come per al-Ghazali la religione debba essere soprattutto esperienza intima e avere come scopo la ricerca di Dio attraverso l'introspezione, perché "chi ignora il proprio cuore ignora se stesso e chi ignora se stesso ignora il suo Signore". Ma il cuore è come uno specchio che, se è limpido, riflette i tesori del Mondo Celeste, se invece è arrugginito dal peccato, non può aprirsi ad essi. Per difendersi dalle tentazioni, l'uomo deve pertanto controllare e purificare la propria anima con i mezzi consigliati dai sufi, poiché la loro Via ha come meta suprema l'incontro con Dio.
