Stowing Away with the Vikings Sep 02 2022 A thrilling trip back in time to the Viking Age. Binkerton twins Josh and Emma tried to stop their little sister, Libby, from opening the guidebook in the creepy Good Times Travel Agency. Instead, the book sent them hurtling back in time ã to the Viking Age! All goes fine, at first. But Viking life is not for the faint of heart. And when Josh and Libby inadvertently stow away on a Viking ship headed for a raid, it suddenly turns perilous! Can the Binkertons finish the guidebook and travel back to the present before it ê s too late? Kids will love this all-inclusive tour of an ancient civilization ã no travel required!

[The Vikings](#) Aug 01 2022 A comprehensive and thrilling history of the Vikings for fans of the History Channel series From Harald Bluetooth to Cnut the Great, the feared seamen and plunderers of the Viking Age ruled Norway, Sweden, and Denmark but roamed as far as Byzantium, Greenland, and America. Raiders and traders, settlers and craftsmen, the medieval Scandinavians who have become familiar to history as Vikings never lose their capacity to fascinate, from their ingeniously designed longboats to their stormy pantheon of Viking gods and goddesses, ruled by Odin in Valhalla. Robert Ferguson is a sure guide across what he calls "the treacherous marches which divide legend from fact in Viking Age history." His long familiarity with the literary culture of Scandinavia with its skaldic poetry is combined with the latest archaeological discoveries to reveal a sweeping picture of the Norsemen, one of history's most amazing civilizations. Impeccably researched and filled with compelling accounts and analyses of legendary Viking warriors and Norse mythology, [The Vikings](#) is an indispensable guide to medieval Scandinavia and is a wonderful companion to the History Channel series.

[The Viking Hondb ó k](#) Jul 28 2019 Learn what it was like to live as a Norseman in this fun and fascinating look at Vikings and the Viking Age. Vikings, those ancient Norse seafarers, have inspired plenty of pop culture phenomena, from the A&E hit show [Vikings](#) to [Thor: Ragnar ö k](#), to the ever-expanding world of Viking LARP. Known for being skilled craftspeople, accomplished merchants, hardworking farmers, and masters of the sea, the Vikings were a complex and captivating people. Inspired by the legendary legacy of the Vikings, author Kjersti Egerdahl presents a compelling and entertaining guide exploring who the Vikings were and how they lived, from ancient Norse daily life to battles and adventuring. You'll learn how Vikings ate, dressed, and fought, and even how they weaved the perfect beard braid and built warships and weapons. Interspersed throughout is revealing historical anecdotes about Viking conquests, famous warriors, mythology and afterlife, and much more.

[Sons of Vikings](#) Sep 21 2021 [Sons of Vikings](#) tells the story of the Viking Age (793-1066 A.D.) through the lives of extraordinary people. Each chapter is a biography of Ragnar Lothbrok, Ivar the Boneless, Bjorn Ironside, Rollo, Brian Boru, Erik the Red, Floki, Leif Erikson, Lagertha, Alfred, Rurik, Sviatoslav, William the Conqueror, and many other heroes and villains. It provides an understanding of this pivotal historical period in a way that facts and chronologies alone cannot. [Sons of Vikings](#) is meticulously researched from almost 100 sources but is also not afraid to challenge conventional beliefs and offer new perspectives. It is the perfect introduction for the casual fan of Vikings in television and popular culture but also offers a new take for the well-read history enthusiast. From myths, legends, sagas, and stories, to the most-recent archeology and DNA research, this book brings the Viking Age to life.

[The A to Z of the Vikings](#) Mar 04 2020 [The A to Z of the Vikings](#) traces Viking activity in Europe, North America, and Asia for over three centuries. During this period people from Scandinavia used their longships to launch lightning raids upon their European neighbors, to colonize new lands in the east and west, and to exchange Scandinavian furs for eastern wine and spices and Arab silver. The Viking age also saw significant changes at home in Scandinavia-kings extended their power, Norse paganism lost ground to Christianity, and new towns and ports thrived as a result of increased contact with the wider world. This book provides a comprehensive work of reference for people interested in the Vikings, including entries on the main historical figures involved in this dramatic period, important battles and treaties, significant archaeological finds, and key works and sources of information on the period. It also summarizes the impact the Vikings had on the areas where they traveled and settled. There is a chronological table, detailed and annotated bibliographies for different themes and geographical locations, and an introduction discussing the major events and developments of the Viking age.

[The Viking Age](#) Sep 09 2020 In this extensively revised third edition of [The Viking Age: A Reader](#), Somerville and McDonald successfully bring the Vikings and their world to life for twenty-first-century students and instructors. The diversity of the Viking era is revealed through the remarkable range and variety of sources presented as well as the geographical and chronological coverage of the readings. The third edition has

been reorganized into fifteen chapters. Many new sources have been added, including material on gender and warrior women, and a completely new final chapter traces the continuing cultural influence of the Vikings to the present day, into the twenty-first century. The use of visual material has been expanded significantly, and updated maps illustrate historical developments throughout the Viking Age. The Norse/English translations of Norse texts, many of them new to this collection, are straightforward and easily accessible, while chapter introductions contextualize the readings.

Vikings Jun 06 2020 The Vikings were a seafaring people from the late eighth to early 11th century who established a name for themselves as traders, explorers and warriors. They discovered the Americas long before Columbus and could be found as far east as the distant reaches of Russia. While these people are often attributed as savages raiding the more civilized nations for treasure and women, the motives and culture of the Viking people are much more diverse. These raiders also facilitated many changes throughout the lands from economics to warfare. Many historians commonly associate the term "Viking" to the Scandinavian term *vikingr*, a word for "pirate." However, the term is meant to reference overseas expeditions, and was used as a verb by the Scandinavian people for when the men traditionally took time out of their summers to go "a Viking." While many would believe these expeditions entailed the raiding of monasteries and cities along the coast, many expeditions were actually with the goal of trade and enlisting as foreign mercenaries. Many modern perceptions of Vikings found their origins through Catholic propaganda. Upon the sacking of multiple Christian facilities and the loss of countless relics and treasures, the Catholic ministry sought to dehumanize them. Until Queen Victoria's rule of Britain, the Vikings were still portrayed as a violent and barbaric people. During the 19th and 20th centuries, perceptions changed to the point where Vikings were glamorized as noble savages with horned helmets, a proud culture and a feared prowess in battle. Scroll to the top of the page and click Add To Cart to read more about this extraordinary forgotten chapter of history.

The Saga of Erik the Viking May 18 2021

Sir Cumference and the Viking's Map Nov 11 2020 For fans of the Sir Cumference series with coordinate geometry on their mind, here is the seventh installment in this fun look at math and language. While riding through the forests of Angleland, cousins Per and Radius realize they are lost and are desperate for a map to guide them home. Soon they come across a mysterious house in the hills. Inside they find a map to a treasure belonging to Xaxon Yellowbeard, the fiercest Viking warrior of his time. Per and Radius must decode the strange numbered grid on the map, while trying to steer clear of the pack of bungling bandits who are on their tail. Will they find the treasure in time? Cindy Neuschwander delivers yet another intriguing math adventure featuring the well-known characters of Angleland. Readers will enjoy following Per and Radius in their quest while learning how coordinate geometry relates to everyday life. Wayne Geehan's beautiful illustrations offer a bit of comic relief, while also clearly demonstrating the concepts explored in the story.

Women and Weapons in the Viking World Oct 30 2019 A pioneering and lavishly illustrated monograph which provides an in-depth exploration of women's associations with the martial sphere of life in the Viking Age.

The Viking Way Jan 26 2022 Magic, sorcery and witchcraft are among the most common themes of the great medieval Icelandic sagas and poems, the problematic yet vital sources that provide our primary textual evidence for the Viking Age that they claim to describe. Yet despite the consistency of this picture, surprisingly little archaeological or historical research has been done to explore what this may really have meant to the men and women of the time. This book examines the evidence for Old Norse sorcery, looking at its meaning and function, practice and practitioners, and the complicated constructions of gender and sexual identity with which these were underpinned. Combining strong elements of eroticism and aggression, sorcery appears as a fundamental domain of women's power, linking them with the gods, the dead and the future. Their battle spells and combat rituals complement the men's physical acts of fighting, in a supernatural empowerment of the Viking way of life. What emerges is a fundamentally new image of the world in which the Vikings understood themselves to move, in which magic and its implications permeated every aspect of a society permanently geared for war. In this fully revised and expanded second edition, Neil Price takes us with him on a tour through the sights and sounds of this undiscovered country, meeting its human and otherworldly inhabitants, including the Sámi with whom the Norse partly shared this mental landscape. On the way we explore Viking notions of the mind and soul, the fluidity of the boundaries that they drew between humans and animals, and the immense variety of their spiritual beliefs. We find magic in the Vikings' bedrooms and on their battlefields, and we meet the sorcerers themselves through their remarkable burials and the tools of their trade. Combining archaeology, history and literary scholarship with extensive studies of Germanic and circumpolar religion, this multi-award-winning book shows us the Vikings as we have never seen them before.

The Myths and Realities of the Viking Berserkr Oct 23 2021 The viking berserkr is an iconic warrior normally associated with violent fits of temper and the notorious berserks gang or berserker frenzy. This book challenges the orthodox view that these men went 'berserk' in the modern English sense of the word. It examines all the evidence for medieval perceptions of berserkr and builds a model of how the medieval audience would have viewed them. Then, it extrapolates a Viking Age model of berserkr from this model, and supports the analysis with anthropological and archaeological evidence, to create a new and more accurate paradigm of the Viking Age berserkr and his place in society. This shows that berserkr were the champions of lords and kings, members of the social elite, and that much of what is believed about them is based on 17th-century and later scholarship and mythologizing: the medieval audience would have had a very different understanding of the Old Norse berserkr from that which people have now. The book sets out a challenge to rethink and reframe our perceptions of the past in a way that is less influenced by our own modern ideas. The Myths and Realities of the Viking berserkr will appeal to researchers and students alike studying the Viking Age, Medieval History and Old Norse Literature.

Viking Blood and Blade Mar 16 2021 If you like Bernard Cornwell, Conn Iggulden, Simon Scarrow, David Gemmell and Giles Kristian, you will love this epic Viking adventure, packed with battles, treachery, blood and gore. 865 AD. The fierce Vikings stormed onto Saxon soil hungry for spoils, conquest, and vengeance for the death of Ragnar Lothbrok. Hundr, a Northman with a dog's name... a crew of battle-hardened warriors... and Ivar the Boneless. Amidst the invasion of Saxon England by the sons of Ragnar Lothbrok, Hundr joins a crew of Viking warriors under the command of Einar the Brawler. Hundr fights to forge a warrior's reputation under the glare of Ivar and his equally fearsome brothers, but to do that he must battle the Saxons and treachery from within the Viking army itself... Hundr must navigate the invasion, survive brutal attacks, and find his place in the vicious world of the Vikings in this fast-paced adventure with memorable characters.

The Viking World Aug 28 2019 For 300 years, from the ninth to the eleventh centuries, the power of the Vikings dominated Western Europe.

Their voyaging extended westwards to America and as far south as the Mediterranean and North Africa. As well as being warriors and accomplished seamen, they were jewellers, sculptors and poets of great skill and originality: the forts, town sites, ships, burial mounds, carved stones, place names, sagas, art and artefacts they left behind substantiate their legendary exploits. This is a revised and updated edition of James Graham-Campbell's authoritative account of the Viking world, based on recent archaeological research, with an important chapter on ships, shipwrights and seamen from Sean McGrail. The text is complemented by a wealth of illustration, including maps and reconstruction drawings. Photographs, many of them especially commissioned, portray the brilliant products of the Vikings' culture and the beauty and harshness of the natural world they faced.

Maritime Societies of the Viking and Medieval World Feb 24 2022 This book is a study of communities that drew their identity and livelihood from their relationships with water during a pivotal time in the creation of the social, economic and political landscapes of northern Europe. It focuses on the Baltic, North and Irish Seas in the Viking Age (ad 1050-1200), with a few later examples (such as the Scottish Lordship of the Isles) included to help illuminate less well-documented earlier centuries. Individual chapters introduce maritime worlds ranging from the Isle of Man to Gotland -- while also touching on the relationships between estate centres, towns, landing places and the sea in the more terrestrially oriented societies that surrounded northern Europe's main spheres of maritime interaction. It is predominately an archaeological project, but draws no arbitrary lines between the fields of historical archaeology, history and literature. The volume explores the complex relationships between long-range interconnections and distinctive regional identities that are characteristic of maritime societies, seeking to understand communities that were brought into being by their relationships with the sea and who set waves in motion that altered distant shores. re characteristic of maritime societies, seeking to understand communities that were brought into being by their relationships with the sea and who set waves in motion that altered distant shores.

Kept by the Viking Jul 20 2021 Loyalty to the Brotherhood comes before all. Including women. Formidable Viking leader Rurik knows the law. His loyalty to the Forgotten Sons is his bond, and no woman will threaten what he 's built from the ground up. But the Sons are a roving band of Vikings, and Rurik is growing restless—so when Normandy 's chieftain offers land, the proposal intrigues him. And the sultry Parisian thrall he finds in his tent intrigues him even more... Safira is cunning and clever and full of secrets. Rurik 's men have no interest in securing her safe passage home, but, piqued with lust, Rurik views Safira 's wives as a captivating challenge—one he 's determined to conquer, even if lying with her is as defiant as it is inevitable. Traveling with Safira has been a fantasy come true—what started as lust is quickly turning to the kind of partnership Rurik could never have dreamed. But their arrival in foreign lands marks a new chapter, one that demands a Viking wife. With impossible decisions to be made, Rurik 's alliances are fraying, and past promises may not be enough to save him from having to betray those he 's sworn loyalty to—including Safira. This book is approximately 75,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you 're looking for with an HEA/HFN. It 's a promise! Edited by Stephanie Doig

The Viking Nov 04 2022

The Viking World Jan 02 2020 Filling a gap in the literature for an academically oriented volume on the Viking period, this unique book is a one-stop authoritative introduction to all the latest research in the field. Bringing together today's leading scholars, both established seniors and younger, cutting-edge academics, Stefan Brink and Neil Price have constructed the first single work to gather innovative research from a spectrum of disciplines (including archaeology, history, philology, comparative religion, numismatics and cultural geography) to create the most comprehensive Viking Age book of its kind ever attempted. Consisting of longer articles providing overviews of important themes, supported by shorter papers focusing on material of particular interest, this comprehensive volume covers such wide-ranging topics as social institutions, spatial issues, the Viking Age economy, warfare, beliefs, language, voyages, and links with medieval and Christian Europe. This original work, specifically oriented towards a university audience and the educated public, will have a self-evident place as an undergraduate course book and will be a standard work of reference for all those in the field.

The Viking Heart Mar 28 2022 From a New York Times best-selling historian and Pulitzer Prize finalist, a sweeping epic of how the Vikings and their descendants have shaped history and America

The Age of the Vikings Nov 23 2021 A major reassessment of the vikings and their legacy The Vikings maintain their grip on our imagination, but their image is too often distorted by myth. It is true that they pillaged, looted, and enslaved. But they also settled peacefully and traveled far from their homelands in swift and sturdy ships to explore. The Age of the Vikings tells the full story of this exciting period in history. Drawing on a wealth of written, visual, and archaeological evidence, Anders Winroth captures the innovation and pure daring of the Vikings without glossing over their destructive heritage. He not only explains the Viking attacks, but also looks at Viking endeavors in commerce, politics, discovery, and colonization, and reveals how Viking arts, literature, and religious thought evolved in ways unequaled in the rest of Europe. The Age of the Vikings sheds new light on the complex society, culture, and legacy of these legendary seafarers.

Story of Rolf and the Viking Bow Apr 16 2021 Rolf, son of Hiarandi the Unlucky, is a character who exemplifies the effect of Christ's teachings upon the Icelandic people during their heroic age. The book is set in Iceland in the days when Christianity has come to the island though the old customs still linger. Hiarandi, at the urging of his wife, does an unprecedented thing: he lights a signal fire on a dangerous point of his land, thereby challenging the accepted custom which places lucrative salvage at higher value than the saving of life. However, the life that is saved that night causes his own death and the unjust outlawing of his son Rolf. Rolf's response to this injustice creates a suspenseful, thought-provoking tale difficult to put down.

The Hammer and the Cross Jun 18 2021 For those living outside Scandinavia, the Viking Age effectively began in 793 with an attack on the monastery at Lindisfarne. The attack on Lindisfarne was a characteristically violent harbinger of what was in store for Britain and much of Europe from the Vikings for the next 300 years, until the final destruction of the heathen temple to the Norse gods at Uppsala around 1090. Robert Ferguson is a sure guide across what he calls the treacherous marches which divide legend from fact in Viking Age history . His long familiarity with the literary culture of Scandinavia the eddas, the poetry of the skalds and the sagas is combined with the latest archaeological discoveries and the evidence of picture-stones, runes, ships and objects scattered all over northern Europe, to make the most convincing modern portrait of the Viking Age in any language. The Hammer and the Cross ranges from Scandinavia itself to Kievan Rus and Byzantium in the east, to Iceland, Greenland and the north American settlements in the west. Beyond its geographical boundaries the book takes us on a journey to a misty

region inhabited by Hallfred the Troublesome Poet, Harald Bluetooth, Ragnar Hairy-Breeches, Ivar the Boneless and Eyvind the Plagiarist, in which literature, history and myth dissolve into one another.

Voyage with the Vikings Oct 03 2022 Over 1 million sold in series! While visiting Mr. Whittaker at Whit ' s Soda Shoppe, Beth and Patrick find a mysterious letter in the Imagination Station requesting a Viking sunstone. The letter is old and says that someone named Albert will be imprisoned if the sunstone isn ' t found. Mr. Whittaker sends cousins Patrick and Beth to Greenland circa 1000. On their quest for the sunstone, the cousins meet Vikings Erik the Red and Leif Eriksson—and find the sunstone as they join Leif on his first voyage to North America. But the adventure is just beginning, for when they return to Mr. Whittaker ' s workshop with the sunstone, there is another note waiting for them, requesting a silver goblet. Join Patrick and Beth as they continue their travel to various lands and time in the Imagination Station book series.

The Viking Diaspora Aug 09 2020 The Viking Diaspora presents the early medieval migrations of people, language and culture from mainland Scandinavia to new homes in the British Isles, the North Atlantic, the Baltic and the East as a form of ' diaspora ' . It discusses the ways in which migrants from Russia in the east to Greenland in the west were conscious of being connected not only to the people and traditions of their homelands, but also to other migrants of Scandinavian origin in many other locations. Rather than the movements of armies, this book concentrates on the movements of people and the shared heritage and culture that connected them. This on-going contact throughout half a millennium can be traced in the laws, literatures, material culture and even environment of the various regions of the Viking diaspora. Judith Jesch considers all of these connections, and highlights in detail significant forms of cultural contact including gender, beliefs and identities. Beginning with an overview of Vikings and the Viking Age, the nature of the evidence available, and a full exploration of the concept of ' diaspora ' , the book then provides a detailed demonstration of the appropriateness of the term to the world peopled by Scandinavians. This book is the first to explain Scandinavian expansion using this model, and presents the Viking Age in a new and exciting way for students of Vikings and medieval history.

Vikings Across Boundaries Sep 29 2019 This volume explores the changes that occurred during the Viking Age, as Scandinavian societies fell in line with the larger forces that dominated the Insular world and Continental Europe, absorbing the powerful symbiosis of Christianity and monarchy, adapting to the idea of royal lineage and supremacy, and developing a buzzing urbanism coupled with large-scale trade networks. Presenting research on the grand context of the Viking Age alongside localised studies, it contributes to the furthering of collaborations between local and ' outsider ' research on the Viking Age. Through a diversity of approaches on the Viking homelands and the wider world of the Vikings, it offers studies of a range of phenomena, including urban and rural settlements; continuity in the use of places as well as new types of places specific to the Viking Age; the social significance of change; the construction and maintenance of social identity both within the ' homelands ' and across large territories; ethnicity; and ideas of identity and the creation and recreation of identity both at home and abroad. As such, it will appeal to historians and archaeologists with interests in Viking-Age studies, as well as scholars of Scandinavian studies.

Adventures with the Vikings May 06 2020 When twins Josh and Emma, and their little sister, Libby, enter the Good Times Travel Agency, they are hurried back in time to the age of the Vikings, in a blend of fact and fiction about life in Scandinavia around A.D. 800.

Surrender to the Viking Aug 21 2021 A warrior bride in the Viking's bed... A hot-tempered redhead with a talent for sword craft, Lara Ottarsdotter has seen off many an unwanted suitor! Then the Viking warlord Finn Egilsson comes seeking vengeance on a mutual enemy, and Lara's despairing father offers him a bounty of ships and swords. The price? Finn must take Lara as his wife. Finn has no wish to endure marriage again, yet his reluctant bride fires his blood with one passionate kiss. Her courage means she will never yield in battle, but soon all he wants is her ultimate, willing surrender--in the marriage bed! Victorious Vikings No man could defeat them. Two women would defy them! "Nobody does Vikings as well as Fulford." --RT Book Reviews on Defiant in the Viking's Bed

Northmen Jan 14 2021 From Finland to Newfoundland and Jelling to Jerusalem, follow in the wake of the Vikings—a transformative story of a people that begins with paganism and ends in Christendom. In AD 800, the Scandinavians were just barbarians in longships. Though they held sway in the north, their power meant little more than the ability to pillage and plunder, which they did to bolster their status at home. But as these Norse warriors left their strongholds to trade, raid, and settle across wide areas of Europe, Asia, and the North Atlantic, their violent and predatory culture left a unique imprint on medieval history. The twist that no one predicted, however, was a much slower, insidious takeover than any the Vikings would execute, and by a turn of the tide, they themselves became its target. For as they made their mark on Europe, Europe made its mark on them. By the year 1200, what remained of the Vikings ' pagan origins floated beneath the surface and the strong, strange territories of the north had become a part of Latin Christendom. Northmen is there to tell the tale, to pay homage to what was lost and celebrate what was won. Focusing on key events, including the sack of Lindisfarne in 793 and the Battle of Stamford Bridge in 1066, medieval history expert John Haywood recounts the saga of the Viking Age, from the creation of the world through to the dwindling years of halfhearted raids and elegiac storytelling in the thirteenth century. He does so with meticulous research, engaging narrative, and sensitivity for his subject, shedding light and blood along the way.

Viking Quest Series Jun 26 2019 This set contains all five books of the Viking Quest Series: Raiders From the Sea, Mystery of the Silver Coins, The Invisible Friend, Heart of Courage, and The Raider's Promise. In Raiders From the Sea, Viking raiders capture Bree and her brother Devin and take them from their home in Ireland. After the young Viking prince Mikkell sets Devin free on the Irish coast far from home, Bree and Devin embark on separate journeys to courage. Readers will be captivated by the unfolding drama as Bree sails to Norway on the Viking ship and Devin travels the dangerous road home. They both must trust their all-powerful God in the midst of difficult situations. In Mystery of the Silver Coins, Bree finds herself in a physical and spiritual battle for survival. With another young slave, she makes a daring escape from the ship as soon as it reaches harbor. They hide in the woods as Mikkell and his Viking sailors begin a relentless search, certain that Bree is responsible for a missing bag of silver coins. Bree must face her unwillingness to forgive the Vikings, and Mikkell begins to wonder: Is the God of these Irish Christians really more powerful than our own Viking gods? In The Invisible Friend, Bree arrives in Norway and is sent to work as a slave for the family of Mikkell, her Viking captor. She struggles to adjust, feeling worthless and disrespected, and wondering why God wants her in Norway. Her prayers are answered when she is given the opportunity to teach Mikkell's grandparents to read using an illuminated Bible stolen from an Irish monastery. In the Heart of Courage, Bree learns that her brother, Devin, her sister, Keely, and her friend, Lil, will set out for Ireland. She longs to go with them. Instead, Mikkell asks her to be a cook for voyage to Greenland. Somehow her excellent food becomes inedible and the Vikings think she's trying

to sabotage their voyage. Join Bree and Devin for more adventures in this fourth installment of the Viking Quest series. In *The Raider's Promise*, Bree, Devin, and Mikkel enter a new world with the explorer Leif Erikson. Their first task: build a shelter to survive the winter. But danger lurks from within the shadows on the horizon of a life where everyone needs the courage to win. Can Mikkel conquer his enemies and find new purpose for his life? Will he keep his promise to Bree and Devin to take them home to Ireland? Will he keep his pledge of honor, even if it means death?

Swords of the Viking Age Feb 01 2020 Representative examples of swords from 8th-11th century, fully described and illustrated, with general overview.

The Viking Age Dec 01 2019 The relationship of Ireland with the Viking World is one of the enduring themes of the study of the Viking Age. The Fifteenth Viking Congress addressed key issues in the debate, including Viking-Age Ireland, the colonization of the North Atlantic, weapons and warfare, and the development of urbanism. This book, comprising papers by more than fifty of the world's leading Viking specialists, presents a broad range of ideas and approaches to these studies, supported by archaeological, historical, literary and linguistic evidence.

The Vikings Apr 28 2022 The popular image of the Vikings is of tall red-headed men, raping and pillaging their way around the coast of Europe, stopping only to ransack monasteries and burn longships. But the violent Vikings of the 8th century became the pious Christians of the 11th century, who gave gold crosses to Christian churches and in whose areas of rule pagan idols were destroyed and churches were built. So how did this radical transformation happen, and why? What difference did it make to the Vikings, and to those around them, and what is their legacy today? This book takes a "global" look at this key period in Viking history, exploring all the major areas of Viking settlement. Written to be an accessible and engaging overview for the general reader.

Viking Warrior Jun 30 2022 He's the son of a chieftain and a princess--yet Halfdan was born a slave. Now he is becoming a man and it is time for him to meet his destiny. Though raised a slave who could only dream of freedom, young Halfdan's fate may be about to change. If freed, he may train as a Viking warrior, and come to know the glories of true brotherhood and the horrors of unspeakable evil. In the world of Vikings, a warrior's destiny is forged in the heat of battle. If the fates decree it, Halfdan may emerge as a new hero . . . a new myth . . . and perhaps a new legend.

The Vikings in History Oct 11 2020 Updated with important new research, archaeological findings and debates, this third edition of F. Donald Logan's successful examination of the Vikings, and their role in history, is a key text in the study of this fascinating era.

The Viking Stone Age Dec 25 2021 The Story of the Vikings during the early Nordic Stone Age time period. The first ancient Norsemen. A span of some thousands of years concisely covering the evolution the Stone Age Norse people. A whole new world of understanding about the ancient Vikings has been opened up by new archaeological discoveries and studies. This was the birth of the Viking Battle Axe Culture, so well known during the Viking Age of Norse Expansionism. The evolving culture of the primitive Norse that eventually created their first Battle Axes made from stone and copper during the Nordic Stone Age time period. Easy to read and very interesting. Providing a quick and concise journey through major events of primitive Norse Stone Age history. Highlights of major aspects in primitive Norse knowledge and technology. Discussed are shared technologies between the Ancient Norse, Inuit (Eskimo), and other North American Aborigines that may have had made contact with The Stone Age Norse -- lost in time.

Children of Ash and Elm Jul 08 2020 The definitive history of the Vikings -- from arts and culture to politics and cosmology -- by a distinguished archaeologist with decades of expertise The Viking Age -- from 750 to 1050 -- saw an unprecedented expansion of the Scandinavian peoples into the wider world. As traders and raiders, explorers and colonists, they ranged from eastern North America to the Asian steppe. But for centuries, the Vikings have been seen through the eyes of others, distorted to suit the tastes of medieval clerics and Elizabethan playwrights, Victorian imperialists, Nazis, and more. None of these appropriations capture the real Vikings, or the richness and sophistication of their culture. Based on the latest archaeological and textual evidence, *Children of Ash and Elm* tells the story of the Vikings on their own terms: their politics, their cosmology and religion, their material world. Known today for a stereotype of maritime violence, the Vikings exported new ideas, technologies, beliefs, and practices to the lands they discovered and the peoples they encountered, and in the process were themselves changed. From Eir í k Bloodaxe, who fought his way to a kingdom, to Gudrid Thorbjarnardóttir, the most traveled woman in the world, *Children of Ash and Elm* is the definitive history of the Vikings and their time.

History of Vikings Apr 04 2020 History of Vikings Thank you for purchasing " History of Vikings: An Epic Guide to the Viking Age and Feared Norse Seafarers. Such as Egil Skallagrimsson, Ragnar Lothbrok, Ivar the Boneless, and More " History is always filled with information, which describes different events that took place at different periods. As we read history books, we learn and discover about certain events. We learn what preceded those events or what caused them. We want to know why things were as they were (or how we learned). However, the main thing with history is that information we have can often be misleading or incomplete. The similar thing happened with Vikings. For many of us, the first picture that comes to our minds when we mention " Viking " is a savage, colossal man, wearing a beard, and carrying a huge axe in one hand. Many of us have at least heard of the Vikings. We think we know something about them. However, things we know are usually not in correlation with the real historical facts. This is where this book comes to the scene. " History of Vikings " is a book where we read about Vikings, their customs, their life, and more. Since the book is a collection of close historical facts, " History of Vikings " is written to educate its readers. If you wanted to know more about the mystical people from the Northern Europe then this book is just for you! Here is a Preview of What You Will Get: A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book.

A Nun for the Viking Warrior Feb 12 2021 Forced to wed the warriorFalling for the man... Noblewoman Am é e É vreux had pledged her life to God, until her father promised her in marriage to thundering Norseman Jorund J ö tunnson. After escaping her overbearing father, Am é e vows never to fall under another man ' s thumb, but her resistance to being Jorund ' s wife turns to desire as she gets to know her intriguing new husband. For beneath his fierce exterior she ' s glimpsed an unexpectedly pure heart. If only she can penetrate the fortress that surrounds it... From Harlequin Historical: Your romantic escape to the past.

The Strongbow Saga, Book One: Viking Warrior Dec 13 2020 Book description to come.

The Viking May 30 2022 At not quite fifteen, Stefan's father finally let him board the longship, Sja Vinna, to take part in his first Viking raid.

Yet, the battle was not at all what he expected, and he soon found himself alone and stranded in Scotland. Thirteen-year-old Kannak's situation was just as grave. Her father deserted them and the only way to survive, she decided, was to take a husband over her mother's objections. Instead, she found herself hiding a hated Viking, and that wasn't the only problem - someone was plotting to kill the clan's beloved laird. Loved by young adults and baby-boomers alike, this 30 book historical family saga follows a Scottish highlander clan from the Viking era, through the middle ages, into the 20th century. From the first love story to the last, we hope you too will enjoy these tales of courageous men, strong women, fierce clan wars, fun characters, and perilous struggles to survive.
