Just A Phrase I'm Going Through Feb 20 2022 Looks behind the curtains at the adventures, challenges and pitfalls of the author's life in linguistics. This book answers the question that the author is most frequently asked: 'How did you become a linguist?'

The Love Ladder Nov 07 2020 A Bible Study for couples in any phase of their relationship, created to help weather difficult times during your relationship and equip you to succeed together. This book does not intend to hash out old problems or mistakes. It looks to work past them, through them, and move towards a relationship built with grace and forgiveness through the foundation of Jesus. Pain and adversity are going to come in your marriage. What you choose to do in the midst of them will define which direction it will take - closer to Jesus offering greater intimacy between the two of you, or creating a gap between the two of you and causing you to feel lonely, abandoned, absent of faith. These times for discussion and reflection have come from a marriage littered with both good and bad decisions in the midst of adversity - on both sides. We have been where you are emotionally and have been on the brink of utter desolation more than once. We encourage you to use this as a guide to draw near to one another, open lines of uncomfortable discussion, and most importantly - learn how to turn to Jesus together.

Going Through Samaria Nov 19 2021 Are there places in your life that you would rather not go? Are there places in your life that you wish you had not gone? Are there people in your life that you would rather not deal with? If the truth is told, the answer for most of us would be yes. The primary focus of Going through Samaria is to focus on this truth and to inspire you as you go through such places. As you read the book, you will learn about; 1. a place in the Bible that God's people did not want to go; 2. a people that God's people did not want to deal with ; 3. traveling through life is like going on a journey; 4. going places that you do not want to go; 5. waiting on God; 6. how God will help you to endure; 7. some places that you don't want to go

can take you to just where God want you to be; and 8. that going through places in life that you do not want to go is not always easy, but it is doable. You will also learn that your God-ordained marriage can have its share of difficulty. Additionally, no matter what place that you are in right now, whether problems in your home, finances, body, unsaved spouses, children or grandchildren, drug addiction, problems with your neighbors, problems on your job or in the church, this book will inspire and help you to realize God can and will get you through your difficult places or get you out of them as you trust, obey, and wait on him.

Getting Through the Going-Through Stage Nov 27 2019 Schuller shares his secret to overcoming painful personal problems through his ten-step plan. He discusses the most common barriers to recovery, such as self-pity, fear, resentment and the inability to forgive. Demonstrates the healing power of faith and prayer. HC: Thomas Nelson.

I Am That I Am Sep 25 2019 Our God wants us to know him. He not only wants us to know him, but he invites us to know him. One man dared to ask God who he is, and God's reply was I AM that I AM! What if people lived out the days of their lives with an awareness that God wants a meaningful relationship with them? How would that change the way they interact with God and others? In the book I AM That I AM, Dr. Roger Stephens clearly defines the misperceptions that people have of God and corrects them, sharing the ways God instructs us to connect with him, giving insight from his own struggles and triumphs. Do you often find yourself asking, why I am I going through this? Are there times when you ask, where is God? Maybe your answer is in learning that God is the I AM That I AM!

What Are You Going Through Jun 14 2021 NAMED A BEST BOOK OF 2020 BY NPR, PEOPLE, AND O, THE OPRAH MAGAZINE A NEW YORK TIMES CRITICS' TOP BOOK OF 2020 NATIONAL

BESTSELLER “As good as *The Friend*, if not better.” —The New York Times “Impossible to put down . . . leavened with wit and tenderness.” —People “I was dazed by the novel’s grace.” —The New Yorker The New York Times–bestselling, National Book Award–winning author of *The Friend* brings her singular voice to a story about the meaning of life and death, and the value of companionship. A woman describes a series of encounters she has with various people in the ordinary course of her life: an ex she runs into by chance at a public forum, an Airbnb owner unsure how to interact with her guests, a stranger who seeks help comforting his elderly mother, a friend of her youth now hospitalized with terminal cancer. In each of these people the woman finds a common need: the urge to talk about themselves and to have an audience to their experiences. The narrator orchestrates this chorus of voices for the most part as a passive listener, until one of them makes an extraordinary request, drawing her into an intense and transformative experience of her own. In *What Are You Going Through*, Nunez brings wisdom, humor, and insight to a novel about human connection and the changing nature of relationships in our times. A surprising story about empathy and the unusual ways one person can help another through hardship, her book offers a moving and provocative portrait of the way we live now.

Jesus, I Want to Know You Aug 24 2019 There is a song by a county music singer. It's about a young woman driving a car with a baby in the back strapped in her car seat. While driving, she loses control of the car and instantly calls for Jesus to take the wheel. When I first heard the words to that song, the first thing I thought was that I too had asked Jesus to take over. I needed his help. In life's trials and errors, I wonder how many people experience the same thing. In this person's case, in an instant moment of crisis, she couldn't handle it and turned to God for help. In just about everyone's life, there will be a time we ask for God's help. Many people experience a lot of hurt, going through a crisis of some kind. The most devastating tragedy one could face is to lose a son or a daughter, or other family member, due to an illness or shocking news, due to a car accident, or killed in the line of duty. How to cope with that is not easy. I've had people tell me about

experiences they've had, and that their faith in God was so very important to help them pull through bad times. Bad times will fall on everyone's life one time or another, but it doesn't always have to be a bad thing. Hard times; there is an old saying that there is always something good that comes out of something bad. The stories of real life experiences in the early years of my parents, and my boyhood years with family, gave me a strong faith to survive. What really inspired me to put this book together is what is happening to our new generation. They are losing their faith and they think there is no need for God. Too many young people would rather put their trust in a materialist lifestyle. One can easily recognize what is going on in this world, and what is happening is not good. If we keep on at the present pace, life will become very difficult for the next generation. Throughout my writing, I am expressing the importance of faith that one needs to survive any hardships. What I would like to achieve is to get the reader's interest, and present an introduction to the church. There is a God who will take you in if you ask Him, whether you know Him or not. I would like to tell you what I, and what other people, know about Him, and the love and freedom that is available. It provides a comfort that a person can achieve, but you must let yourself be available to do so. Only you have the keys to open your heart from the inside to Jesus. Many lose their freedom because of their materialistic lifestyle, with no purpose or reason in life. People need a solid base (roots) and security which can be achieved by the knowledge of all of the gifts from God, and from our Mother Mary, and through the Saints and angels in Heaven that can help us in our lives. If you are one that has misgivings about the Catholic Church because of what you have been told, you were misinformed and sadly deprived about all the beautiful gifts from God. My common sense approach is to the person that may be lost, a person that has no knowledge of God, for a person that may be having a hard time with oneself, in a marriage, or at work, or someone that may be incarcerated. With today's divorce rate at over 50%, there are many young people hurting who have no one to turn to. Jesus, I Want to Know You, could be an answer to some.

Hold Them Very Close, Then Let Them Go Aug 05 2020

Passing Through the Flame Mar 12 2021

Through the Valley Jan 28 2020 A cancer diagnosis can be shocking and overwhelming, to say the least. But what happens when a husband and wife are both diagnosed with cancers that typically have poor prognoses? Richard and Robin Johnson were the pastors of a rural Colorado church where they were both diagnosed with cancers that would change their lives forever. “We all face ‘valley experiences,’ but how we deal with these situations and experiences will determine the outcome for us,” Richard says. “We can fall prey to fear, worry and defeat, or we can look to the Lord to help us, to strengthen us, and to become what He desires us to be in the midst of every situation.” Through the Valley will encourage you to trust God and live victoriously in whatever you may be going through in this life, for when Jesus is all we have, Jesus is all we need!

When God Stopped Keeping Score Jul 24 2019 Anger... Resentment... Guilt... Pain... For millions of people, not every prison comes with a set of bars. That's because at some point, no matter who you are, regardless of your race, creed, religion or even gender, everyone has suffered at the hands of another person. You are not alone. The question is whether this wrong happened two minutes or twenty years ago, whether this person is living or dead, why are you still allowing yourself to suffer because of it? Why is this pain still being allowed to destroy the very relationships that you have with your friends, family, God and even yourself? There is help, but are you ready to accept it? In this ground breaking study of the power of forgiveness, R.A. Clark, an award-winning educator and life coach, challenges not only what you thought that you knew about forgiveness, but also questions the heavy emotional price that you are willing to pay to live without it. In a world where it is hard to love and there is so much to hate, finally somebody will tell the truth about the lies that we tell ourselves about forgiveness. Including... - Why you should never forgive and forget? - When is the right time to forgive anyone for anything? - Why your "silence" maybe slowly destroying your family? - The only biblical way that there is to forgive anyone. - Also, discover just who is the one person that you should always forgive, even when your heart tells you not to. Prepare yourself. This

book is the first step in a remarkable journey to help you to become the spouse, parent, and/or friend that you were truly meant to be; the one person that many people wish they were and others only pretend to be. *I've Got to Make It to Heaven for Going Through Hell* Oct 19 2021 Antoine Warren is a New York City kid who is looking for direction in life. Antoine encounters one life threatening/changing circumstance after another some expected and some unexpected. Feeling all alone, struggling with life, and totally lost, is there light at the end of the tunnel for Antoine? Yet somehow through it all, divine intervention intercedes and Antoine figures out that he may not have been alone all along. Part I

Going Through the Emotions Jun 26 2022 This book of poems was written by a Trinidadian born, Brooklyn raised, walking emotion. She can listen to a friend, family, or stranger, and feel what they may be feeling. She knows how to put those feelings onto paper for others to enjoy and or understand. She pray that others will enjoy the poems, especially her favorite, "I Will". She was inspired to write that poem after listen to the poem "Who Will Cry For The Little Boy", recited by Derek Luke in the Antwone Fisher movie.

Going Through Jan 10 2021 Let's see where do I start? After my grandmother passed my mother soon found herself on drugs. We lost everything. Had to move from place to place; rain, sleet, or snow. Sometimes leaving our belongings behind. Abusive relationships were common. On several occasions we had to jump from a two story home to escape. I soon found myself in a gang of unhealthy relationships and activities. I went from nearly dying giving birth to my first baby at seventeen to stripping in nightclubs. I can truly say I've lived my life by the gun, once robbed at gun point. Jailed for aggravated assault the list goes. I fought because that was all I knew how to do. Life and its ups and downs... My biggest upset may have been the very rumor my very own mother spewed. I had aids... I am still going through healing and pain. Still going

through fighting the demons of my past. Read this journey of daily repair, a raw uncut tale of hurt, pain, and recovery.

Going Through the Potions Dec 09 2020 Escape to the Pacific Northwest, where magic and mountains meet murder and mayhem. Down on her luck witch Althea "Ali" Everwood has big plans for her life in Mt. Rheanier, a sleepy mountain town in the paranormal world. It might be because her foot practically lives in her mouth, or because her habit of running headlong into every situation is better suited to a bull on steroids than a witch, but Ali just never manages to catch a break. Her luck goes from bad to worse when she stumbles across the body of a murdered dragon shifter and then gets fired from her dead-end job in less than twenty-four hours. And things get even hairier when the family of her slain friend offers a reward. Every paranormal in town comes out of the woodwork to make some cash, including her eclectic seventy-something grandmother who isn't afraid to hex anyone who gets in her way - even her granddaughter. But all Ali wants is justice and she will stop at nothing to find the person responsible. Thanks to some help from her whip-smart best friend Willow, Ali quickly hones in on a prime suspect, and is confident she's going to beat everyone to the punch, including the mysterious - and muscular - new enforcer in town. But the killer has other ideas, and the closer Ali gets to uncovering the truth, the closer she is to becoming the next victim. Will Ali be able to solve the case before the killer puts a permanent end to her investigation? *Going Through the Potions* is the first book in the Pacific North Witches series of humorous paranormal cozy mystery novels.

Going Through the Valley Apr 12 2021 'Going through the Valley' is a very inspiring book that speaks about our Christian walk as Children of God. We can define the Valley as any place, period, or situation that is filled with fear, gloom, foreboding, but at the end of our valley experiences we come out filled with love, God's joy and fulfillment. Valley experiences are meant to make us better and stronger in our walk with God. Valleys are also places of fruitfulness. It's a place where we meet with our father and maker face to face, a place where we grow and become transformed to His will. The valley experience is the path that leads us to

our God given destiny. As you read this very interesting book, you will not only be challenged but will have a new perspective about the Valley, why we go through valleys and the benefits of going through the valley. As you prayerfully read this book, the Lord is going to give you insight and revelation.

God, I Don't Know What to Say Right Now Feb 08 2021 We are all on a journey in this life. For some, it seems like the path we are on is smooth sailing, no hindrances, and no major events to be concerned about. But for many others, the road has not been smooth. There have been some bumps, potholes, roadblocks, street closures, and even diversions. There have been so many events in their lives: death, life-threatening illnesses, and job loss. They seem to happen one after the other, or while we are in the middle of one crisis, another one is occurring. It is at this point, for many, and after much prayer for and over the situation, that we throw up our hands and say, aEURoGod, I don't know what to say right now.aEUR On lifeaEUR(s) journey, we are either entering, going through, or coming out of a wilderness. The necessary weapon for warfare on that journey is prayer. It is the conversation that we have with God where we cry out for help from the pains we feel inside and echo the pleas of the desires of our hearts. Yet there are times when we don't know what to say; we are at a loss for words. In this book, we explore prayer in and through our wilderness moments. We look at tools and practices that can increase and improve our conversations with God, especially when we are struggling to find the right words to say as we go through the many events that can happen in our lives.

Through It All May 02 2020 The book aims to inspire the reader to trust completely in God and His promises and to never give up no matter the circumstances one is going through. Through personal testimony, the author is honoring God for His faithfulness through the many trials and tribulations that he has been and continues to go through. The book is therapeutic and has an internal purpose, as it helps the reader (and certainly the author) to heal from past wounds (by mourning previous loss, communicating frustrations, and expressing feelings). It also helps to maintain hope that one can go through trials and tribulations by focusing on the positive things of life and growing in faith, moving on and believing in God's promises no matter the circumstances one is in. The book notes that people who suffer immensely are chosen people who God wants to use and that the severity of the suffering to the individual can be equated to the extent to which God wants to use that individual. The writer, reflecting on his life, makes it clear that pain and suffering are guaranteed but that one can go through it all if one puts his/her trust completely in the Lord. The book is intended for every reader, and it is envisaged that it will especially appeal to many who are going through pain and suffering of whatever kind and severity and are looking for solutions in a godly way. Because the book is written in a very personal way, it is likely to touch the hearts of many.

Getting Through What You Are Going Through Apr 24 2022 Everyone has to go through something. We all know someone who is going through something right now. Getting Through What You Are Going Through is a resource to be used whenever we find ourselves (or someone else) mired in a life situation and are unsure of the best way to handle it. This book includes inspirational stories and vignettes from history,

which are written to illustrate the best path forward as we navigate through difficult or dark periods. The book is a reminder that God is always close to us and ready to strengthen, support, and settle us in even the toughest times. The principles included in *Getting through What You Are Going Through* can be implemented by anyone. They are time-tested responses that have been proven to work by others who have weathered life storms at one time or another.

The Pendulum Sep 05 2020 You Haven't Missed It; You're Right on Time! Many of God's people feel guilty for going through difficult seasons. We think depression is spiritual weakness. In challenging circumstances, we ask: "God, where are You?" We consider the state of our lives and become discouraged, assuming we are not where God wants us to be. But what if we are? What if the very circumstances that threaten to destroy us are the very things that launch us into our God-ordained moments of destiny? In *The Pendulum*, Pastor Rickie Rush shows you that there is a time for everything under heaven. Learn how: Your seasons of difficulty can push you closer towards fulfilling your purpose God never wastes the struggles that you go through To embrace and flow with the natural seasons of life God's supernatural ability causes you to come out victorious on the other side God wants to use your story and transform you into someone who can help others flourish in every season of life!

Though I Walk Through The Valley Mar 31 2020 Walking the painful path of divorce leaves us feeling isolated, despaired, and doubtful of any happiness and peace again. While the narratives shared in this book are theirs alone, there are great commonalities. Each is full of pain; but even in the valley of messy, broken, and death-filled relationships, there is relief, healing, and hope in every story. You will find hopeful reassurance in and through the raging storms and valleys of shattered relationships. No matter the wounds, Tim Scott reminds us there is a healing balm that sustains us if we will make the choice to turn to Christ in our brokenness. We have every reason to hope. --Terry W. Pollard, pastoral coach and mentor (Des Moines, Iowa) The weaving of the experience of different people of both genders and ages along with strong biblical

reference and relevance creates an undeniable picture of the human condition. In reading this book, God will stretch your thinking and sensitize your heart to the heart of this painful reality. A must-read for anyone interested in representing the real Jesus to a broken world. --Pastor Ernest Mullins (Raleigh, North Carolina)

As a pastor and child of divorce, I found *Though I Walk through the Valley* a heartfelt, gut-wrenching, and hopeful story of walking through the valley of divorce. This book is a great resource for those who find themselves in the heartbreaking situation of a broken dream and marriage. God's grace will walk with you every step of the way. --Pastor Gina Colburn, BreakPointe Community Church (Overland Park, Kansas)

I believe that *Though I Walk through the Valley* will be a very helpful resource, both to those who have gone through a divorce or who are on the verge of going into one. Most of us in the church are unaware of the opportunity for ministry among those we know who are going through this valley. This book will be a great resource in helping the church understand the struggles of an individual going through a divorce. --Pastor Shawn DeOrnellis (Milton, Washington)

Sharing many people's stories makes *Though I Walk through the Valley* very relatable. I believe God is going to use this book to minister to many. --Pastor Dan Menefee, Crossroads Wesleyan Church (Rapid City, South Dakota)

Going Through the Storm Oct 31 2022 Essays on the conjunction of art and history as demonstrated in dance, music, poetry, and novels.

Going Through Divorce....Now What? Sep 17 2021

Going Through the Gate Oct 07 2020 The five sixth-grade students in a small town prepare for their teacher's annual graduation ceremony, a mysterious ritual that several generations of students have experienced but no one can discuss.

Going Through the Storms of Life with God's Grace and Mercy May 26 2022 I committed my life to Christ as a teen. I can remember attending a revival at my church. My church was Zion Temple First Pentecostal Church at that time. My bishop was Bishop Jasper J. Phillips. That night, I was so moved by what I heard, I

decided to give my life to Christ. I can look back now, and it was the best decision that I made to date. I started on my journey to live for Christ. I was in the choir. I joined the Bible Bowl Team, where we studied certain topics and themes from the Bible. I also entered a biblical essay contest. I won an award for my entry. I want to note that the Bible Bowl and essay contest were part of the International Young People's Pentecostal Assembly of the World. This is where each church in our district competed against each other. These were friendly competitions. This was very helpful in learning and understanding God's word. In this competition, we had great, spirit-filled coaches and counselors who encouraged us to study.

Going Through the Storm of Your Life Sep 29 2022 Are you going through an unbelievable crisis in your life and don't know what to do? Well there is an answer for you. You can make it through this horrible time. In life we all must go through storms that either make us stronger or break us. Don't let the storm overtake you. You can make it through the storm if you don't give up. This book was written for you so you can go through your crisis, problem, disaster - storm - VICTORIOUSLY! As an Earth Science Teacher for several years, I have taught sixth graders about the different storms on our Earth such as tornadoes, hurricanes, and thunderstorms. God gave me a revelation that just as a physical storm on Earth goes through several stages, a spiritual storm will take you through these same stages. In this book, I compare the stages of a spiritual storm to that of a physical storm. Most importantly in reading this book, you will learn how to weather the storm and know what to do at each stage so you can become a stronger, more spiritual person. In this book I include steps to take when going through a crisis. There are several similarities between a spiritual and physical storm. We eventually recover from a hurricane, tornado, or flood and we can also recover from a spiritual storm or crisis. It may take time but if we are diligent and don't give up we can come out of the storm victoriously.

Getting Through What You're Going Through Mar 24 2022 Robert A. Schuller offers ten principles based on Psalm 23 to help break down the barriers to healing and help readers "get through" their difficult times.

Whether you're facing divorce, illness, the death of someone you love, a financial setback, or any other seemingly insurmountable problem, this book can be the answer to your prayers. Schuller's ten principles will take you verse-by-verse through the Twenty-third Psalm, while breaking down barriers to healing, including self-pity, guilt, fear, and the inability to forgive. Above all, *Getting Through What You're Going Through* proves the healing power of faith and prayer. "To get through what you're going through, you must be willing to be carried, and that takes trusting," explains Schuller. "Let go and let God support you, and your faith will lead you out of the valley into the Promised Land."

Going Through Gethsemane Dec 21 2021 Have you been there? Have you been in place where you felt abandoned, forgotten, down trodden and without hope. If you have, join the crowd. We all have at some point in our lives. The author considers the dark times as Gethsemane moments. This inspirational book explores these times and more importantly offers encouragement and possible ways to get through Gethsemane. Life is beautiful, yet into every life comes periods of darkness, or you can call them Gethsemane moments, we can and must go through Gethsemane.

Hope and Help Jun 22 2019 This book was published to help give cancer patients going through chemotherapy treatment a way to stay organized. From my own experiences with chemotherapy I created this helpful tool to help you through out your difficult time. The doctor always asked me, what were your side effects, what did you eat, and do you have any questions for me. Well half of the time, I did not have an answer because I had information scattered around some info in this binder, some info in that binder. I could of really used something like this during my journey. You will get lots of binders and books with information and statistics. This is the exact opposite. It is for you to fill with your information, not be reminded that you are a statistic. I hope that this book offers that little piece of mind to help you stay organized during treatment.

Going through the fire Jul 28 2022 Many times believers go through fire in their life, marriage, work place,

family, studies, health, wealth, etc. The questions that are in all the minds are: why me? Will I ever come out of that fire alive? Will God show up? And if He does show up, will it be too late? The fire is real, and no one can describe the temperature of the flames better than you, because you can feel them. We will see the example of believers who went through fire in their days, and how God helped them.

Trusting God While Going Through the Four Seasons May 14 2021 This book will be helpful for those that get pulled into promiscuity, divorce, and abuse. Maybe you've never had any of these major struggles, but you are struggling with insecurity and having an identity crisis. Many people probably told you, you would never reach anywhere, even your family members, husband, and even yourself. Journey through the Four Season and allow God to take control of life and you will learn about the plan and the purpose to turn the unfruitful season into fruitful ones.

Going Through Life with the Angels Jan 22 2022 This book is written about a series of events, that only can happen with help from above. You will read about the Bees on the boat, the lost bolt in the snow, the encounter with the snowmobile and many more unusual happenings. As you go through life, you will realize that you are not alone.

Now What Oct 26 2019 This is the story of a Vietnam Vet who becomes a Doctor. The story will take the reader through the experiences of one man's journey through the Beatitudes. It was 5 A.M, the alarm was sounding like a bullhorn going off in his room. Josh looked out his window. Last night he graduated from Med. school and was looking forward to what life had in store, then his mind went back to Vietnam, he could see the rice paddy, hear his men's screaming going through his ears as if it were happening right below him. He was receiving his degree that day and would become the doctor he wished he was when his men were dying in that paddy. Yet he felt a sense of guilt. Why did he survive and some of his men did not?

Mann of My Dreams Book 1: If You're Going Through Hell Keep Going Aug 17 2021 Mark Vincent and Quinton Mann have finally kind of, sort of, exchanged promises. Mark has returned from an assignment on

the West Coast, and he's looking forward to spending some quality time with his lover. After all, it's the St. Patrick's Day weekend. What could be better than a little beer, a little corned beef on rye, and Quinn in his bed? However, on Monday it's back to the grind -- this time to an almost empty department. Matheson is away on assignment and Ms. Parker, Mark's secretary, is taking sick time, something she never does. But these aren't the only signs of something unusual, well, more unusual than normal, going on. Gradually, Mark uncovers a series of events going back to the previous spring and involving not only his senior special agent but Theo Bascopolis, a former rent boy who is Mark's friend. While Mark unravels the threads of the Gordian knot the WBIS has become, he realizes how deep his feelings for Quinn have grown. But can a spy like Mark ever hope to be "the one" for a spook like Quinn?

Where's the Line to See Jesus? Dec 29 2019 This book is written with love based on a true story. Becky Kelley took her nephew to see Santa and he asked, "Where's the line to see Jesus?" It is our hope that this book brings a great message into your hearts and homes about the true meaning of Christmas. May you all be blessed by the innocence of children and enjoy the view of the world through their eyes. About the Author Judith L. Sawyer is a Catholic, born and raised, and has a psychology degree specializing in Marriage and Family. Her inspiration comes first from her cousin Adolf Alexander Noser, S.V.D. who was an Arch Bishop in Papua New Guinea who lived his whole life serving God, wrote a few books himself and when she was 7 he blessed her. Currently he is going through the beatification stage of being canonized a saint. His book Living with God in My Heart will soon be republished. Judith's inspiration also comes from her children. She is a mother of three and was searching for a book to teach them how to pray and who God was. Not being able to find one resulted in the writing of her first book This Is How I Pray. She writes, "My children are significant to me because when I was 27 I had a brain tumor with a rare disease and was told it was improbable that I would ever have children. So for them I am grateful to God. I believe that God uses everyone for His purpose and I wanted to share that with children when they are young so they understand

the gravity of their lives from a higher perspective. I love God for my life and am ever so grateful to be able to share my experiences to help in my own little way to make the world a better place for our children." Becky Kelley was born and raised in St. Louis, Missouri. She first sang on stage at the ripe age of 2 and never looked back. Singing and dancing her way through high school, she ended up going to college in Nashville, Tennessee at David Lipscomb University. It was there, she started to get a taste of the Nashville music scene, singing and performing with some of Nashville's best. After college, Becky decided to go back home, get married, and settle into a family life. Apparently life had other things in store, as she eventually found herself being pulled back into music, recording in the studio and welcoming an exciting new chapter into her life all while embracing her current life at home. While life has gotten busier, it has also become richer. Becky loves using her gifts both in the professional world and also singing her baby girl to sleep at night, praying God is leading her every step of the way.

Going Through the Notions Aug 29 2022 A retired schoolteacher—and yes, daughter of an F. Scott Fitzgerald fan—Daisy Buchanan has finally found her calling in the quaint village of Millbury, Pennsylvania. While her husband endlessly renovates their old house, Daisy happily presides over Sometimes a Great Notion, a quirky shop that sells sewing bits and bobs, antiques, and jewelry. Daisy has her eye on an antique dollhouse and a classic Singer Featherweight at the local auction—until her friend and mentor, auctioneer Angus Backstead, is led away in handcuffs. It appears he bashed in the head of a drinking buddy who stole a set of fancy fountain pens. Daisy's sure the sprightly old-timer couldn't have done it. But if Daisy can't stitch together the bidder truth—and soon—Angus will be going once, going twice... gone forever. Includes creative tips for vintage notions!
