**The Most Dangerous Book** Jul 17 2021 Recipient of the 2015 PEN New England Award for Nonfiction "The arrival of a significant young nonfiction writer . . . A measured yet bravura performance." –Dwight Garner, *The New York Times* James Joyce's big blue book, *Ulysses*, ushered in the modernist era and changed the novel for all time. But the genius of *Ulysses* was also its danger: it omitted absolutely nothing. Joyce, along with some of the most important publishers and writers of his era, had to fight for years to win the freedom to publish it. *The Most Dangerous Book* tells the remarkable story surrounding *Ulysses*, from the first stirrings of Joyce's inspiration in 1904 to the book's landmark federal obscenity trial in 1933.

Written for ardent Joyceans as well as novices who want to get to the heart of the greatest novel of the twentieth century, *The Most Dangerous Book* is a gripping examination of how the world came to say Yes to Ulysses.

Literary Mapping in the Digital Age Jan 11 2021 Drawing on the expertise of leading researchers from around the globe, this pioneering collection of essays explores how geospatial technologies are revolutionizing the discipline of literary studies. The book offers the first intensive examination of digital literary cartography, a field whose recent and rapid development has yet to be coherently analysed. This collection not only provides an authoritative account of the current state of the field, but also informs a new generation of digital humanities scholars about the critical and creative potentials of digital literary mapping. The book showcases the work of exemplary literary mapping projects and provides the reader with an overview of the tools, techniques and methods those projects employ.

**Warrenpoint** Nov 08 2020 A novelistic "family romance" from a key figure in contemporary literature, focusing with lyrical detail on his coming of age in Northern Ireland. *Warrenpoint* is a memoir, and more than a memoir: with moments of novelistic narrative and lyricism wedded to musings on the aesthetic and theological themes of the author's coming of age—filial piety, original sin, a child's perceptions, and then the nature of terrorism, and of reading itself—it demonstrates the same insight and lucidity that have contributed to Denis Donoghue's fame as one of our most important critics. Taking its title from the seaside town in Northern Ireland whose police barracks served as the residence for the Catholic Donoghues, it has been described as a family romance, dealing not only with the author's love for his strong-willed, taciturn, policeman father, but his love for literature and how it shaped his life to come.

A Bloomsday Postcard Oct 20 2021 To celebrate James Joyce and the centenary of Bloomsday, Niall Murphy has assembled a dazzling selection of 240 postcards, all of them posted in the Dublin area during 1904, four of them sent on 16 June that year.

*Ulysses Annotated* Sep 06 2020 Rev. ed. of: Notes for Joyce: an annotation of James Joyce's *Ulysses*, 1974.

**The Beauty of Convention** Jun 03 2020 This volume addresses the beauty of convention not in an attempt to recapitulate established values (as, luckily, in literature and culture, there are not absolute beauties that serve everyone and always), but as an aesthetic appreciation of form as a keeper of meaning and as an ethical post-cynical metadiscourse on human dependence on symbolic interaction and generic conventions. Looking into the artificial, invented, side of this concept, the book addresses such questions as: What is beauty by

virtue of convention? How does convention generate beauty? How does it happen that a convention acquires a normative force? What is the nature and the "logic of situation" that leads to the arbitrary conventions? How are alternative conventions made? What is inertia, and what real joy or belief ensures the stability of convention? Is there a natural correctness that enables the stability of convention? How does convention determine linguistic meanings? Can interpretation avoid convention? Without imposing one definition onto the reader, this volume presents an understanding of the stability of convention and how it generates beauty by employing numerous contemporary reading strategies and diverse cultural, ethnic, gender, psychological, and textual perspectives. Primary focus is given to various literary texts ranging from early classics to modernism and contemporary writing, though there are also discussions on other forms of human expressions, such as music, dance and sculpture. This book will contribute to the on-going discussion about the ambiguities inherent in the concept of convention, and, thus, stimulate intellectual confrontation and circulation of ideas within the fields of literature and culture.

**Left Turn at Paradise** May 27 2022 The author of *The Dirty Book Murder* returns to the surprisingly lethal world of rare books with a second enthralling novel featuring a most unlikely hero—antiquarian bookseller Michael Bevan. Michael Bevan is barely scraping by with his used bookstore and rare book collection when he discovers a timeworn journal that may change everything. Dating back to 1768, the tattered diary appears to be a chronicle kept during the first of legendary seafarer Captain James Cook's three epic voyages through the Pacific islands. If it's as valuable as Mike thinks it is, its sale may just bring enough to keep his faltering used bookstore afloat for another year. Then he meets a pair of London dealers with startling news: Adrian Hart and Penelope Wilkes claim to possess the journal of Cook's second voyage. Is it possible a third diary exists? One which might detail Cook's explosive final voyage—and his death at the hands of native Hawaiians? Together, all three would be the holy grail of Pacific exploration. But before Mike can act, the two journals are stolen. Chasing them down will sweep Michael, Adrian, and Penelope across the globe—past a dead body or two—and into a very sinister slice of paradise. High in the Southern Alps of New Zealand, in a remote and secretive Maori compound, a secret rests in the hands in of a man daring enough to rewrite history . . . and desperate enough to kill. Praise for *Left Turn at Paradise* "[*Left Turn at Paradise* is] an entertaining and action-packed adventure reminiscent of Indiana Jones, delicately seasoned with the allure of rare old books. Bibliophiles and mystery/adventure lovers will be mesmerized by this epic tale."—Library Journal

Karl Marx and World Literature Apr 01 2020 "Very few men," said Bakunin, "have read as much, and, it may be added, have read as intelligently, as M. Marx." S. S. Praver's highly influential work explores how the world of imaginative literature—poems, novels, plays—infused and shaped Marx's writings, from his unpublished correspondence, to his pamphlets and major works. In exploring Marx's use of literary texts, from Aeschylus to Balzac, and the central role of art and literature in the development of his critical vision, *Karl Marx and World Literature* is a forensic masterpiece of critical analysis.

Blood on Bloomsday Feb 21 2022 "Once again, "the game is afoot" in Spokane, Washington. It's Bloomsday season and one of the largest foot races in the world is about to make its return, when thousands of runners and thousands more spectators will take to the streets in celebration of endurance. In the meantime, the Chief of Police's nephew has been assaulted -- badly beaten and left for dead -- and Detectives Rex Begonia and Ivy Lizei are put on the case. Does it involve the local casino, anyone from the Spokane Tribe (the victim's original home), or a complete outsider? They've got a lot of questions to follow up on while waiting for the victim to come back from his coma. But one of the major questions, of course: Will they catch the would-be killer in time to make it to the race and cross the finish line with the rest of the police department's team?"--Back cover.

**The Guide to James Joyce's Ulysses** Aug 06 2020 The Guide to James Joyce's 'Ulysses' is perfect for anyone undertaking a reading of Joyce's novel, whether as a student, a member of a reading group, or a lover of literature finally crossing this novel off the bucket list.

Bloomsday Aug 18 2021 Robert returns to Dublin to reunite with Cait, the woman who captured his heart during a James Joyce literary tour thirty-five years ago. Dancing backwards through time, the older couple retrace their steps to discover their younger selves. Through young Robbie and Caithleen, they relive the unlikely, inevitable events that brought them—only briefly—together. This Irish time-travel love story blends wit, humor, and heartache into a buoyant, moving

appeal for making the most of the present before it is past.

**The Dirty Book Murder** Feb 09 2021 In this smart, fast-paced mystery debut, Thomas Shawver introduces a charming, unlikely hero from the rarefied world of antique books. Book merchant Michael Bevan arrives at the Kansas City auction house hoping to uncover some hidden literary gold. Though the auction ad had mentioned erotica, Michael is amazed to find lovely Japanese Shunga scrolls and a first edition of a novel by French author Colette with an inscription by Ernest Hemingway. This one item alone could fetch a small fortune in the right market. As Michael and fellow dealer Gareth Hughes are warming up for battle, a stranger comes out of nowhere and outbids them—to the tune of sixty grand. But Gareth is unwilling to leave the auction house empty-handed, so he steals two volumes, including the Colette novel. When Gareth is found dead the next day, Michael quickly becomes the prime suspect: Not only had the pair been tossed out of a bar mid-fistfight the night before, but there is evidence from Michael's shop at the crime scene. Now the attorney-turned-bookman must find out who wanted the Colette so badly that they would kill for it—and frame Michael. Desperate to stay out of police custody, Michael follows the murderer's trail into the wealthiest echelons of the city, where power and influence meet corruption—and mystery and eroticism are perverted by pure evil. Unfortunately for Michael, one dead book dealer is only the opening chapter in a terrifying tale of high culture and lowlifes. Praise for *The Dirty Book Murder* "A page-turner . . . gripping and engaging . . . or, as dealers rate rare books, definitely VF—Very Fine!"—Carolyn Hart, New York Times bestselling author of the *Death on Demand* mysteries "An antique book auction, complex characters driven by greed, and bittersweet family tensions come together in this atmospheric thriller. Readers of crime fiction will enjoy the ride and look forward to bookstore owner Michael Bevan's next adventure."—Sally Goldenbaum, bestselling author of the *Seaside Knitters* series

yes I said yes I will Yes. Dec 22 2021 On the fictional morning of June 16, 1904—Bloomsday, as it has come to be known—Mr. Leopold Bloom set out from his home at 7 Eccles Street and began his day's journey through Dublin life in the pages of James Joyce's novel of the century, *Ulysses*. Commemorating the 100th anniversary of Bloomsday, *Yes I Said Yes I Will Yes* offers a priceless gathering of what's been said about *Ulysses* since the extravagant praise and withering condemnation that first greeted it upon its initial publication. From the varied appraisals of such Joyce contemporaries as William Butler Yeats ("It is an entirely new thing. . . . He has certainly surpassed in intensity any novelist of our time") and Virginia Woolf ("Never did I read such tosh"), to excerpts from Tennessee Williams' term paper "Why *Ulysses* is Boring" and assorted wit, praise, parody, caricature, photographs, anecdotes, bon mots, and reminiscence, this treasury of Bloomsiana is a lively and winning tribute to the most famous day in

literature.

**Bloomsday** Jan 23 2022 "Jackson Mac Low's marvels of verbal invention provoke nonstop streams of readerly imagination. **The Bloomsday Book** Mar 25 2022 This is a page-by-page guide to 'Ulysses' designed to help the student and the general reader find their way quickly about Joyce's formidable novel. The guide will enable someone approaching Joyce for the first time to reach an understanding of the novel.

*Essays on Actions and Events* Dec 30 2019 Donald Davidson has prepared a new edition of his classic 1980 collection of *Essays on Actions and Events*, including two additional essays. In this seminal investigation of the nature of human action, Davidson argues for an ontology which includes events along with persons and other objects. Certain events are identified and explained as actions when they are viewed as caused and rationalized by reasons; these same events, when described in physical, biological, or physiological terms, may be explained by appeal to natural laws. The mental and the physical thus constitute irreducibly discrete ways of explaining and understanding events and their causal relations. Among the topics discussed are: freedom to act; weakness of the will; the logical form of talk about actions, intentions, and causality; the logic of practical reasoning; Hume's theory of the indirect passions; and the nature and limits of decision theory. The introduction, cross-references, and appendices emphasize the relations between the essays and explain how Davidson's views have developed.

**The New Bloomsday Book** Nov 01 2022 Since 1966 readers new to James Joyce have depended upon this essential guide to *Ulysses*. Harry Blamires helps readers to negotiate their way through this formidable, remarkable novel and gain an understanding of it which, without help, it might have taken several readings to achieve. The *New Bloomsday Book* is a crystal clear, page-by-page, line-by-line running commentary

on the plot of Ulysses which illuminates symbolic themes and structures along the way. It is a highly accessible, indispensable guide for anyone reading Joyce's masterpiece for the first time. To ensure that Blamires' classic work will remain useful to new readers, this third edition contains the page numbering and references to three commonly read editions of Ulysses: the Oxford University Press 'World Classics' (1993), the Penguin 'Twentieth-Century Classics' (1992), and the Gabler 'Corrected Text' (1986) editions.

*Bloomsday 100* Jul 29 2022 "Ulysses is always lauded as one of western culture's most important books. This collection of essays re-asserts the worth and vitality of Joyce's monumental text, not because it is challenging but because it speaks so powerfully to significant present-day issues: anti-Semitism, film, melodrama, fashion, photography, silenced women, advertising, and more."--Jennifer Fraser, author of *Rite of Passage in the Narratives of Dante and Joyce* June 16, 2004, was the one hundredth anniversary of Bloomsday, the day that James Joyce's novel Ulysses takes place. To celebrate the occasion, thousands took to the streets in Dublin, following in the footsteps of protagonist Leopold Bloom. The event also was marked by the Bloomsday 100 Symposium, where world-renowned scholars discussed Joyce's seminal work. This volume contains the best, most provocative readings of Ulysses presented at the conference. The contributors to this volume urge a close engagement with the novel. They offer readings that focus variously on the materialist, historical, and political dimensions of Ulysses. The diversity of topics covered include nineteenth-century psychology, military history, Catholic theology, the influence of early film and music hall songs on Joyce, the post-Ulysses evolution of the one-day novel, and the challenge of discussing such a complex work amongst the sea of extant criticism.

**From Baghdad to New York** Aug 25 2019 BLOOMSDAY: ULYSSES IN BOSTON Bloomsday brings to life in America the enduring epic poem of Homer's Odyssey and the rich Irish saga of James Joyce's Ulysses with a tale set in mid-June of 1974 on the streets of Boston shared by the American immigrant descendants of Leopold and Molly Bloom, and Stephen Dedalus of Dublin. Bloomsday is the heartfelt epic of Rudy and Penelope Bloom of 27 Charles Street on Beacon Hill to prevail in the crucible of everyday life in their wandering and homecoming after an Irish wake for Tim Finnegan, where Rudy encounters Harvard Professor, Dr. Thomas Dedalus. >From Harvard Square, Beacon Hill and Haymarket Square to Copley Square, the Back Bay and Boston's notorious Combat Zone, Bloomsday is a tragicomic tale spun as jazz riffs improvising nimbly upon the baselines of the greatest epic of antiquity and the

most celebrated novel of the 20th century. Lentz sheds new light in the pixels of his innovative, comedic style upon the immortal themes of love, duty and brotherhood told with a deep abiding respect for the timeless masterpieces on the legendary wandering home of Odysseus after the fall of Troy.

**Witz (American Literature Series)** Jul 25 2019 One of the great comic epics of our time: the Last Jewish Novel about the Last Jew in the World. On Christmas Eve 1999, all the Jews in the world die in a strange, millennial plague, with the exception of the firstborn males, who are soon adopted by a cabal of powerful people in the American government. By the following Passover, however, only one is still alive: Benjamin Israelien; a kindly, innocent, ignorant man-child. As he finds himself transformed into an international superstar, Jewishness becomes all the rage: matzo-ball soup is in every bowl, sidelocks are hip; and the only truly Jewish Jew left is increasingly stigmatized for not being religious. Since his very existence exposes the illegitimacy of the newly converted, Israelien becomes the object of a worldwide hunt . . . Meanwhile, in the not-too-distant future of our own, "real" world, another last Jew—the last living Holocaust survivor—sits alone in a snowbound Manhattan, providing a final melancholy witness to his experiences in the form of the punch lines to half-remembered jokes.

**The Essential Davidson** Nov 28 2019 The Essential Davidson compiles the most celebrated papers of one of the twentieth century's greatest philosophers. It distils Donald Davidson's seminal contributions to our understanding of ourselves, from three decades of essays, into one thematically organized collection. A new, specially written introduction by Ernie Lepore and Kirk Ludwig, two of the world's leading authorities on his work, offers a guide through the ideas and arguments, shows how they interconnect, and reveals the systematic coherence of Davidson's worldview. Davidson's philosophical program is organized around two connected projects. The first is that of understanding the nature of human agency. The second is that of understanding the nature and function of language, and its relation to the world. Accordingly, the first part of the book presents Davidson's investigation of reasons, causes, and intentions, which revolutionized the philosophy of action. This leads to his notable doctrine of anomalous monism, the view that all mental events are physical events, but that the mental cannot be reduced to the physical. The second part of the book presents the famous essays in which Davidson set out his highly original and influential philosophy of language, which founds the theory of meaning on the theory of truth. These fifteen classic essays will be invaluable for anyone interested in the study of mind and language. Fascinating though they are individually, it is only when drawn together that there emerges a compelling picture of man as a rational linguistic animal whose thoughts, though not reducible to

the material, are part of the fabric of the world, and whose knowledge of his own mind, the minds of others, and the world around him is as fundamental to his nature as the power of thought and speech itself.

*Nora* Sep 26 2019 Named one of the best books of historical fiction by the New York Times Acclaimed Irish novelist Nuala O'Connor's bold reimagining of the life of James Joyce's wife, muse, and the model for Molly Bloom in *Ulysses* is a "lively and loving paean to the indomitable Nora Barnacle" (Edna O'Brien). Dublin, 1904. Nora Joseph Barnacle is a twenty-year-old from Galway working as a maid at Finn's Hotel. She enjoys the liveliness of her adopted city and on June 16—Bloomsday—her life is changed when she meets Dubliner James Joyce, a fateful encounter that turns into a lifelong love. Despite his hesitation to marry, Nora follows Joyce in pursuit of a life beyond Ireland, and they surround themselves with a buoyant group of friends that grows to include Samuel Beckett, Peggy Guggenheim, and Sylvia Beach. But as their life unfolds, Nora finds herself in conflict between their intense desire for each other and the constant anxiety of living in poverty throughout Europe. She desperately wants literary success for Jim, believing in his singular gift and knowing that he thrives on being the toast of the town, and it eventually provides her with a security long lacking in her life and his work. So even when Jim writes, drinks, and gambles his way to literary acclaim, Nora provides unflinching support and inspiration, but at a cost to her own happiness and that of their children. With gorgeous and emotionally resonant prose, Nora is a heartfelt portrayal of love, ambition, and the quiet power of an ordinary woman who was, in fact, extraordinary.

**Voices from the South** Jun 23 2019 This volume captures the status of digital humanities within the Arts in South Africa. The primary research methodology falls within the broader tradition of phenomenological hermeneutics, with a specific emphasis on visual hermeneutics. Some of the tools utilised as part of the visual hermeneutic methods are geographic information system (GIS) mapping, sensory ethnography and narrative pathways. Digital humanities is positioned here as the necessary engagement of the humanities with the pervasive digital culture of the 21st century. It is posited that the humanities and arts, in particular, have an essential role to play in unlocking meaning from scientific, technological and data-driven research. The critical engagement with digital humanities is foregrounded throughout the volume, as this crucial engagement works through images. Images (as understood within image studies) are not merely another form of text but always more than text. As such, this book is the first of its kind in the South African scholarly landscape, and notably also a first on the African continent. Its targeted audience include both scholars within the humanities,

particularly in the arts and social sciences. Researchers pursuing the new field of digital humanities may also find the ideas presented in this book significant. Several of the chapters analyse the question of dealing with digital humanities through representations of the self as viewed from the Global South. However, it should be noted that self-representation is not the only area covered in this volume. The latter chapters of the book discuss innovative ways of implementing digital humanities strategies and methodologies for teaching and researching in South Africa.

*Robert Jacks* Apr 25 2022 On 16 June 2004, the international community celebrated the centenary of 'Bloomsday'. The epicentre of events was Dublin where the Australian artist, Robert Jacks, had been invited to exhibit his paintings at 15 Usher's Island, once the home of James Joyce's aunts and the building in which Joyce located *THE DEAD*, the final story of his *Dubliners*. This limited standard edition of 400 copies, each with a bookplate signed by the artist, uses colour and abstract shapes to symbolise the passing of one day, from morning to night. The day is 16 June 1904, when Stephen Dedalus and Leopold Bloom junketed through Dublin and their adventures were recorded, for posterity, in Joyce's *ULYSSES*.

New Town Oct 08 2020 When Bernard Dayman falls asleep, the nurse thinks he has died. Bernard thinks so too, until he opens his eyes and finds himself waiting for a bus on a street he had never traveled before. Is this heaven? No, it's the decaying city of Old Town. As Bernard begins to explore his new surroundings crumbling beneath him, he soon realizes that he cannot stay. After learning about the homes in New Town, Bernard becomes determined to get there . . . and along the way discovers a thing or two about the Christian walk. In the footsteps and style made popular by his college professor and friend, C. S. Lewis, Blamires has created an entirely original and inventive story about living the Christian life. Masterful story-telling and vivid metaphors make this an entertaining read for fiction enthusiasts everywhere.
