Smoke Bitten Jun 16 2021 Mercy Thompson, car mechanic and shapeshifter, faces a threat unlike any other in this thrilling entry in the #1 New York Times bestselling series. I am Mercedes Athena Thompson Hauptman. My only "superpowers" are that I turn into a thirty-five pound coyote and fix Volkswagens. But I have friends in odd places and a pack of werewolves at my back. It looks like I'm going to need them. Centuries ago, the fae dwelt in Underhill—until she locked her doors against them. They left behind their great castles and troves of magical artifacts. They abandoned their prisoners and their pets. Without the fae to mind them, those creatures who remained behind roamed freely through Underhill wreaking havoc. Only the deadliest survived. Now one of those prisoners has escaped. It can look like anyone, any creature it chooses. But if it bites you, it controls you. It lives for chaos and destruction. It can make you do anything—even kill the person you love the most. Now it is here, in the Tri-Cities. In my territory. It won't, can't, remain. Not if I have anything to say about it.

Soul of My Soul Sep 19 2021 The first time I met Lily Carter, I thought she was an angel. I'm still convinced she is. She was pure. She was kind. She was Lily. Everything about her captivated me. She called to my soul. Being with her broke an unspoken rule between the Hayes' and the Carter's. But they broke it first when one of them started dating my sister. Now, all bets are off. Lily may be fragile, but she's not broken, and it's time people stopped treating her like she is. I'm making Lily mine, and there's only one thing that can stop me: Death. And I wouldn't put it past a Carter to go to those lengths. I'm willing to pay that price. Because without her, without that piece of my soul I know she holds, I'm dead inside. ***Soul of my Soul is a spin off series from the The Next Generation Carter Brother series and begins with Lily Carter and Jaxon Hayes. You don't need to read the Next Generation series to read this one, although I would advise it if you like to get to know the characters more.

[Her Soul to Take](#) Mar 26 2022 Leon I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and killing is what I'm best at. Except her. The one I was

supposed to take, the one I should have killed - I didn't. The cult that once controlled me wants her, and I'm not about to lose my new toy to them. Rae I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient - something evil - is waking up and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul. Her Soul to Take is book 1 in the Souls Trilogy. Although all the books are interconnected, they are stand-alone and can be read in any order. Content Note This book contains sexual scenes, kink/fetish content, horror elements, drug use, and depictions of hard kink/edgeplay. Reader discretion is advised.

Curanderismo Soul Retrieval Nov 29 2019 A step-by-step shamanic guide to navigating the non-ordinary realms, locating lost soul fragments, and reintegrating them • Explains how the soul is a form of sacred energy that can escape when someone experiences trauma or stressful situations • Explores how to work with the 5 Mesoamerican cardinal directions to connect with lost soul fragments, create the ideal space for them to return, and ensure a lasting soul retrieval • Details how to enter a trance journey for navigating the spirit realm through shamanic breathwork, shamanic dancing, toning methods, as well as hand postures Drawing on her more than 20 years' experience working with present-day Mesoamerican curanderos/as and the ancient shamanic healing traditions of the Mexica and Maya, Erika Buenaflor, M.A., J.D., provides a step-by-step guide for the curanderismo practice of soul retrieval. She explains how the soul is a form of sacred energy that can escape when someone experiences trauma or is threatened by challenging and stressful situations. Its absence can be responsible for a host of negative conditions including physical ailments, depression, insomnia, and dysfunctional behavior patterns. Exploring how to retrieve this sacred energy, or soul fragments, as well as resolve cases of soul theft, the author details how to journey through the non-ordinary realms of the Underworld, Middleworld, and Upperworld to locate lost soul fragments and reintegrate them. She explains how to enter a trance journey, providing instructions for shamanic breathwork practices, shamanic dancing, sounding and toning methods, as well as hand postures (mudras) to facilitate trance states. She explores how to perform soul diagnosis, create a loving and nurturing space for soul fragments to return, and work with the healing wisdom of the 5 Mesoamerican cardinal directions: South, West, North, East, and the Center, which marries the other directions and offers a portal to other worlds. She offers pressure point exercises to release the energies of traumas and contemplative exercises to continue the reintegration of soul fragments after the trance journey. She also explains how to connect with animal guardians to aid you in the soul retrieval process. Revealing how to achieve a lasting retrieval of soul energy, Buenaflor shows how the dynamic process of curanderismo soul retrieval can heal many forms and degrees of trauma and help people move forward in life with more clarity, self-awareness, empowerment, and greater depths of authentic self-love.

Your Soul's Plan Nov 21 2021 Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? Your Soul's Plan (which was originally published under the title Courageous Souls: Do We Plan Our Life Challenges Before Birth?) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, Your Soul's Plan shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise Your Soul's Plan help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. On the Soul also includes Aristotle's idiosyncratic and influential account of light and colors. On Memory and Recollection continues the investigation of some of the topics introduced in On the Soul. Sachs's fresh and jargon-free approach to the translation of Aristotle, his lively and insightful introduction, and his notes and glossaries, all bring out the continuing relevance of Aristotle's thought to biological and philosophical questions.

Since he's deadly, possibly insane, and his current idea of "fun" is stalking me, some may see it as no great loss. But, warned that his disappearance might bring down the carefully constructed alliances that keep our pack safe, my mate and I must find Wulfe—and hope he's still alive. As alive as a vampire can be, anyway. But Wulfe isn't the only one who has disappeared. And now there are bodies, too. Has the Harvester returned to the Tri-Cities, reaping souls with his cursed sickle? Or is he just a character from a B horror movie and our enemy is someone else? The Untethered Soul (EasyRead Super Large 18pt Edition) Jul 18 2021 The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

Sex and the Soul Jun 04 2020 Based on dozens of face-to-face interviews, Sex and the Soul explores the sexual and spiritual lives of today's college students. Donna Freitas crisscrossed the country, visiting a range of America's colleges and universities--from public to private, Catholic to evangelical--to find out what students had to say about these highly personal subjects. Their stories will not only engage readers, but, in many cases, move them with the painful struggles these candid young women and men face. Indeed, the book uncovers aspects of college life that may unsettle some readers, especially parents. Many campuses, for instance, are dominated by the pervasiveness of hook-up culture. Moreover, many students see little connection between sex and religion, even as they seek one between sex and spirituality. Indeed, these observations hold true even at Catholic schools. Only at evangelical colleges is religion an important factor when deciding whether or not to engage in sex. But Freitas's research also reveals that, even at secular schools, students are not comfortable with a culture of casual sex, and that they do want spirituality, at least, if not also religion, to speak about what they should do and who they should try to be--not just what they should avoid doing. Sex and the Soul will offer readers the chance to hear college students speaking honestly about extremely sensitive topics, in a book that will be of great interest to students, parents, clergy, teachers, and anyone who wants to know what's happening on today's college campuses. Named one of the Best Religion Books of 2008 by Publishers Weekly "Fascinating, disturbing...engaging...persuasive.... Freitas's work chronicles a poignant spiritual loss that students themselves articulate and mourn." --Publishers Weekly "Candid, disturbing, yet ultimately hopeful....Throughout this beautifully written book, Freitas presents students' feelings and experiences in an unflinching yet compassionate way. You care about these young people and their struggles. This book is a great service to students, parents, and those at colleges and universities who want to prepare young adults not just for the workplace but for healthy and fulfilling lives." --Christian Science Monitor
