NEVER LIE DOWN Apr 14 2021 Carol Goodman has written a captivating novel about the life of two young girls in 1933, the height of the Depression, weaving in the stories of the families, a local murder, and the racial tensions that erupt in their community. Ms. Goodman puts the reader in the midst of this turmoil with subtlety and uncanny perception. This novel is a literary delicacy not to be missed. Meg Peterson, author of *Madam, Have You Ever Been Happy?* J. Carol Goodman, the well-known short story writer, has turned her considerable talents to the novel. She has written a riveting tale of young friendship and coming of age amidst a swirl of dark events set in a small New Jersey town during the Great Depression. It is a story of mystery, laugh-out-loud humor, deep humanity, and considerable charm. You will fall in love with Theodora. Jan Slepian, author of award-winning *The Alfred Summer* and *Astonishment: Life in the Slow Lane*. Daring, dangerous and sometimes hilarious adventures, Theodora Davis, a minister's daughter, in the height of the Depression and her best friend, Glorybe, are determined to make money to put food on the table. Glorybe's father is ill and might lose his job or even die. Theodora has her first serious crush on him as she comes of age. The story occurs in the backdrop of racial tensions, which affects Theodora's Colored friend, Jeremiah Johnson, who worked in the yard of the murdered man. Was he the murderer? Tension also rises between Theodora's mother and father. Her mother is bombshell of an activist, unheard of in those days, to give "Colored" people equal rights. Her father believes the only way to bring about change is to change peoples' hearts through the spirit of God. He is frightened that her mother's actions are endangering the very people she so fervently wants to help. This conflict is resolved through a startling act at the end by Theodora's father, an act that is against his moral precepts and against the law.

[Wont Back Down](#) Jan 24 2022 Whether on a baseball field as the only girl on an all-boys team in Hammond, Louisiana, or on a basketball court where her play-making ability was compared to Louisiana legend Pistol Pete Maravich, Kim Mulkey was a young athlete so gifted she was named to *Parade* magazine's 1980 All-America High School Girls Basketball team. Lie Down with the Devil Oct 28 2019 Bestseller and multiple award-winning author Linda Barnes returns with the most personal case to date for her popular Boston PI, Carlotta Carlyle. Carlotta, in unfamiliar territory working on her own behalf, finds herself in the middle of a complicated case that has as much to do with the people she loves as the backstreets of Boston, and beyond. For starters, Carlotta wants to know what her on-again, off-again boyfriend Sam Gianelli did to earn himself a secret indictment for murder that's keeping him out of the country. A man with plenty of secrets, he won't tell her anything, much less let her help, and she isn't having any more luck with her old friends at the Boston PD. Sam's exile could be connected to the mob; he is in the family; but she's not buying it. It couldn't be that simple. Nothing involving Sam ever is. Faced with nothing but dead ends, Carlotta goes back to basics and takes a case for a nervous bride-to-be who wants to make sure her fiancé is being faithful. Simple enough, but when her client turns up dead, Carlotta catches the kind of break she wished she hadn't. While nothing is as it seems in *Lie Down with the Devil*, one thing is clear: Readers know that when they're reading Linda Barnes, they're in the hands of a maestro.

In Touch Mar 26 2022 This extraordinary collection of correspondence by Paul Bowles spans eight decades and provides an evolving portrait of an artist renowned for his privacy. From his earliest extant letter, written at the age of four, to his precocious effusions to Aaron Copeland and to Gertrude Stein; from his meditations on mescaline as relayed to Ned Rorem, to his intensely moving letters to Jane Bowles during her illness, *In Touch* fills in the lacunae left by previous biographers and offers a rare look at the many aspects of Bowles's brilliant career as composer, novelist, short-story master, travel writer, translator, ethnographer, and literary critic. Here is Bowles on the genesis of his first novel, *The Sheltering Sky*; on his distaste for Western melodies and his dogged attempts to record indigenous Moroccan music; on the Beats, Gore Vidal, Truman Capote, and Tennessee Williams; on the nature and craft of writing; on Bernardo Bertolucci, David Byrne, and Sting; on the decline of American and the challenges of living in North Africa. Gossipy, reflective, enlightening, and always entertaining, *In Touch* stands as an epistolary autobiography of one of the legendary writers of our time, and a unique chronicle of the twentieth-century avant-garde.

How Long Is the Present Oct 21 2021 Poet, performance artist, and critic David Antin invented the *Italk* poem. He insists that his poems be oral and created in front of a live audience, in a specific time and place, with the transcription of the performance adjusted for print by presenting it not in prose but in clumps of words without justified margins or punctuation, peppered with white spaces that indicate pauses. In this book, editor Stephen Fredman provides a critical introduction to a selection of talk poems from three out-of-print collections, accompanied by a new interview with the author. As Fredman points out, Antin's work is a form of conceptual writing that has influenced generations of experimental poets and prose writers. His profound and humorous talk poems are essential for classroom and scholarly discussions of the arts in modernism and postmodernism; offering as well an invitation to strengthen the ties between the sciences and the humanities.

How Can I Love You (If You Won't Lie Down)? Nov 02 2022 Poetry. Sid Miller's new book, HOW CAN I LOVE YOU (IF YOU WON'T LIE DOWN?) is a collection of poems that make you want to read more poems, more Sid Miller poems. He's got a little Jewish gangster in him, a little love machine, a father's nose, a green thumb gardener's feel for the soil, and a man who has traveled those little old roads of America that never seem to leave our collective unconscious. Mostly, Miller's poems are filled with tenderness and kindness. But, here's the rub: there's an edge to them, and that is what makes them so damn compelling. There is that constant tension and pressure which gives them extraordinary life, each and every one of them; they're cool and beautiful and carry on like those old Texaco gas stations somewhere out there in the vast, gorgeous expanse that digs deep into the warmest places of our humanity.

[I Won't Do Wrong](#) Sep 07 2020 This book is not a magic cure, but could be an aid for a sufferer or carer. If you wish to tackle this demon head on, and feel that education of the illness the only way forward, then this book is for you. Educate your self to the brim if you wish too, Hamish did, one thing that Hamish has learnt is that if you are prepared to be wrong it makes you more right even if you are not so. This book is about transient understanding and Hamish, being very transcendental, is well placed to observe and to experiment. This is not a case of the blind leading the blind but a story of how one person has ploughed through life with only his own mind and steely sincerity to work with. He has not stopped he has ploughed through life and has been able to explain his way to recovery, by writing this book. In effect educating himself better. His findings include voice hearing truths and untruths transient timing (probably the best evidence of the existence of God) Transient Response (the best way to experience God) dual realities Including Feuds Super Ego (Talking in tongues). The existence of numbers being more than just mathematical as well as other interesting true tales and short stories. He believes in four dimensions and in parallel universes, which are separated from our world and so are not dimensions but universes. He believes that there is a reason for the barrier between such universes. Having started writing for himself for personal progression he soon realised that this work could be worth something to others, and so he started writing to an audience and not just to himself. The essence of Hamish' life is represented in this book as transience, he is very transcendental and so is well placed to study its workings.

[I'll Close My Eyes \(but I Won't Be Asleep\)](#) Jun 24 2019 Delusion, dementia or discourse? A daughter insists on the latter, and with the threads of her mother's narratives weaves for them a raft of words. These conversations, unlike anything I'd shared with her before, shocked me. I was glad they happened only when we were alone together. I'd never even thought these things I heard us say, didn't know where they came from. But since they seemed to make sense to her, I kept inviting her to speak. She'd say something, I'd listen, say something back, we were together in words. As if what we said to each other arose, not from our own learning or experience, but some underlying chord that included our voices but was bigger, spoke through them, as if the sound of the ocean were encoded in the sounds of the rain. I'll Close My Eyes (But I Won't Be Asleep) sounds an intimate, heartbreaking, and sometimes humorous, end-of-life chord in a mother and daughter relationship. A compelling memoir, I'll Close My Eyes (But I Won't Be Asleep) is an honest account of what, for most of us, remains hidden and unheard. It will be useful for anyone torn by conflicting desires and demands, battered by memory, grief and rage, and struggling to give care.
