**Xenophon's Retreat** Jan 12 2021 "With this first masterpiece of Western military history forming the backbone of his book, Robin Waterfield explores what remains unsaid and assumed in Xenophon's account - much about the gruesome nature of ancient battle and logistics, the lives of Greek and Persian soldiers, and questions of historical, political, and personal context, motivation, and conflicting agendas. The result is a rounded version of the story of Cyrus's ill-fated march and the Greeks' perilous retreat - a nuanced and dramatic perspective on a critical moment in history that may tell us as much about our present-day adventures in the Middle East, site of Cyrus's debacle and the last act of the Golden Age, as it does about the great powers of antiquity in a volatile period of transition."--  
BOOK JACKET.

**Anabasis** Oct 21 2021 Anabasis Xenophon - Widely considered the most famous work of the professional soldier and writer Xenophon, "Anabasis" is a true tale of dangerous adventure in ancient Greece. Though advised not to join the army of 10,000 by his friend Socrates, Xenophon does set out with Cyrus the Great in that man's attempt to gain the empire of Persia from his brother. When this leader is killed in battle, however, the army loses cause and direction, and the result is a 'marching republic' in which the remainder of the army must fight their way home. Through endless miles of hostile territory where their foes crop up at every turn, Xenophon emerges as one of the few men capable of making decisions and leading the army through a variety of difficulties in a perilous retreat back to Greece. When at last they reach the sea and know they near their homeland, their cries of fierce joy resound and become the stuff of legend. Told in forthright and unpretentious prose, this epic journey of extraordinary endurance over hardship remains an entertaining account that exemplifies Socratic philosophy, clear Greek writing, and the bygone valor of remarkable warriors.

**The Landmark Xenophon's Anabasis** Nov 02 2022 The Landmark Xenophon's Anabasis is the definitive edition of the ancient classic—also known as The March of the Ten Thousand or The March Up-Country—which chronicles one of the greatest true-life adventures ever recorded. As Xenophon's narrative opens, the Persian prince Cyrus the Younger is marshaling an army to usurp the throne from his brother Artaxerxes the King. When Cyrus is killed in battle, ten thousand Greek soldiers he had hired find themselves stranded deep in enemy territory, surrounded by forces of a hostile Persian king. When their top generals are arrested, the Greeks have to elect new leaders, one of whom is Xenophon, a resourceful and courageous Athenian who leads by persuasion and vote. What follows is his vivid account of the Greeks' harrowing journey through extremes of territory and climate, inhabited by unfriendly tribes who often oppose their passage. Despite formidable obstacles, they navigate their way to the Black Sea coast and make their way back to Greece. This masterful new translation by David Thomas gives color and depth to a story long studied as a classic of military history and practical philosophy. Edited by Shane Brennan and David Thomas, the text is supported with numerous detailed maps, annotations, appendices, and illustrations. The Landmark Xenophon's Anabasis offers one of the classical Greek world's seminal tales to readers of all levels.

**Arrian's Anabasis** Aug 07 2020 Bogdan Burliga has written a very interesting study on one of the most important historical sources that has come down to us from Antiquity. The book under review is not, however, yet another historical study on Alexander the Great. Arrian was first and foremost was known as a Stoic philosopher, a disciple of Epictetus, and was regarded as such in Antiquity, not only by his contemporaries, but by succeeding generations of his readership. Burliga draws the logical conclusion that the Anabasis goes beyond the bounds of a mere historical narrative. The Anabasis, although formally a historical narrative, is a serious (Stoic) reflection upon the possession and exercise of power, and the fragility or insignificance of human efforts to retain prestige, fame and glory. This constitutes a new, refreshing view on the meaning of the Anabasis, a work which by no means should be taken as a panegyric to Alexander and his deeds. The book displays the author's masterly command of the secondary literature, including those of older vintage, yet still worth consulting. It is a work which requires some previous knowledge of the topic, but at the same time it remains exceptionally inspiring work, shedding new light on a topic which might have seemed to be already fully exploited.

**The Sea, The Sea (Vintage Classics Murdoch Series)** Apr 02 2020 "I saw a monster rising from the waves." \*\*A BBC BETWEEN THE COVERS BIG JUBILEE READ PICK\*\* \*\*Winner of the Man Booker Prize 1978\*\* Charles Arrowby has determined to spend the rest of his days in hermit-like contemplation. He buys a mysteriously damp house on the coast, far from the heady world of the theatre where he made his name, and there he swims in the sea, eats revolting meals and writes his memoirs. But then he meets his childhood sweetheart Hartley, and memories of her lovely, younger self crowd in - along with more recent lovers and friends - to disrupt his self-imposed exile. So instead of 'learning to be good', Charles proceeds to demonstrate how very bad he can be. WITH AN INTRODUCTION BY DAISY JOHNSON VINTAGE CLASSICS MURDOCH: Funny, subversive, fearless and fiercely intelligent, Iris Murdoch was one of the great writers of the twentieth century. To celebrate her centenary Vintage Classics presents special editions of her greatest and most

timeless novels.

**The Anabasis of Xenophon** Feb 22 2022

**The March Up Country** Jun 04 2020 The famous chronicle of the wealthy Athenian leader Xenophon, brought to life for the modern reader

**A Greek Army on the March** Nov 21 2021 Professor Lee provides a social and cultural history of the Cyreans, the mercenaries of Xenophon's Anabasis. While they have often been portrayed as a single abstract political community, this book reveals that life in the army was mostly shaped by a set of smaller social communities: the formal unit organisation of the lochos ('company'), and the informal comradeship of the suskenia ('mess group'). It includes full treatment of the environmental conditions of the march, ethnic and socio-economic relations amongst the soldiers, equipment and transport, marching and camp behaviour, eating and drinking, sanitation and medical care, and many other topics. It also accords detailed attention to the non-combatants accompanying the soldiers. It uses ancient literary and archaeological evidence, ancient and modern comparative material, and perspectives from military sociology and modern war studies. This book is essential reading for anyone working on ancient Greek warfare or on Xenophon's Anabasis.

**Xenophon's Anabasis, Or The Expedition of Cyrus** Jul 30 2022 Xenophon's Anabasis, or The Expedition of Cyrus, is one of the most famous survival stories ever written and the most important autobiographical work to have survived from ancient Greece. This book places the Anabasis in its historical and literary context and opens up for the reader different ways of interpreting its major themes.

**The Anabasis of Cyrus** Aug 31 2022 One of the foundational works of military history and political philosophy, and an inspiration for Alexander the Great, The Anabasis of Cyrus recounts the epic story of the Ten Thousand, a band of Greek mercenaries hired by Cyrus the Younger to overthrow his brother, Artaxerxes, king of Persia and the most powerful man on earth. It shows how Cyrus' army was assembled covertly and led from the coast of Asia Minor all the way to Babylon; how the Greeks held the field against a superior Persian force; how Cyrus was killed, leaving the Greeks stranded deep within enemy territory; and how many of them overcame countless dangers and found their way back to Greece. Their remarkable success was due especially to the wily and decisive leadership of Xenophon himself, a student of Socrates who had joined the Ten Thousand and, after most of the Greek generals had been murdered, rallied the despondent Greeks, won a position of leadership, and guided them wisely through myriad obstacles. In this new translation of the Anabasis of Cyrus, Wayne Ambler achieves a masterful combination of liveliness and a fidelity to the original uncommon in other versions. Accompanying Ambler's translation is a penetrating interpretive essay by Eric Buzzetti, one that shows Xenophon to be an author who wove a philosophic narrative into his dramatic tale. The translation and interpretive essay encourage renewed study of the Anabasis of Cyrus as a work of political philosophy. They also celebrate its high adventure and its hero's adroit decision-making under the most pressing circumstances.

**FIRST FOUR BOOKS OF XENOPHON'S ANABASIS (ESPRIOS CLASSICS).** Aug 19 2021

**The Warriors** Mar 02 2020 The basis for the cult-classic film The Warriors chronicles one New York City gang's nocturnal journey through the seedy, dangerous subways and city streets of the 1960s. Every gang in the city meets on a sweltering July 4 night in a Bronx park for a peace rally. The crowd of miscreants turns violent after a prominent gang leader is killed and chaos prevails over the attempt at order. The Warriors follows the Dominators making their way back to their home territory without being killed. The police are prowling the city in search of anyone involved in the mayhem. An exhilarating novel that examines New York City teenagers, left behind by society, who form identity and personal strength through their affiliation with their "family," The Warriors weaves together social commentary with ancient legends for a classic coming-of-age tale. This edition includes a new introduction by the author.

**Alexander the Great** Sep 19 2021 Arrian's account of Alexander's life and campaigns, published as the Anabasis and its companion piece the Indica, is our prime source for the history of Alexander, told with great narrative skill. This edition features a new translation of both texts, introduction, notes, guide to military systems and terminology, maps and a full index.

*Alexander the Great in Arrian's <Anabasis>* Jan 24 2022 Arrian's Alexandrou Anabasis constitutes the most reliable account at our disposal about Alexander the Great's campaign in Asia. However, whereas the work has been thoroughly studied as a historical source, its literary qualities have been relatively neglected, with no autonomous monograph existing on this matter. Vasileios Liotsakis fills this gap in the studies of Alexander the Great's literary tradition, by offering the first monograph on Arrian's compositional strategies. Liotsakis focuses on the narrative techniques and verbal choices, through which Arrian allows praise and criticism to intermingle in his portrait of the Macedonian king. His main point of argument is that Arrian systematically exploits an abundance of narrative means (military descriptions, presentation of peoples, march-narratives, anachronies, and epic elements) in order to draw the reader's attention not only to Alexander's intellectual skills but also to the fact that the king was gradually corrupted by his success. This book puts Arrian's literary contrivances under the microscope, sheds new light on unexplored aspects of the Anabasis' narrative arrangement, and contributes to the studies of Alexander's prosopography in Classical historiography.

**Xenophon the Socratic Prince** Jul 18 2021 An interpretation of Xenophon's Anabasis of Cyrus, paralleling the text to Machiavelli's The Prince, and focusing on the question: How did the Socratic education help Xenophon reconcile morality with effectiveness, the noble with the good, as a ruler?

**Anabasis** Jun 28 2022

**Anabasis (The Persian Expedition)** Oct 01 2022 Widely considered the most famous work of the professional soldier and writer Xenophon, "Anabasis" is a true tale of dangerous adventure in ancient Greece. Though advised not to join the army of 10,000 by his friend Socrates, Xenophon does set out with Cyrus the Great in that man's attempt to gain the empire of Persia from his brother. When this leader is killed in battle, however, the army loses cause and direction, and the result is a 'marching republic' in which the remainder of the army must fight their way home. Through endless miles of hostile territory where their foes crop up at every turn, Xenophon emerges as one of the few men capable of making decisions and leading the army through a variety of difficulties in a perilous retreat back to Greece. When at last they reach the sea and know they near their homeland, their cries of fierce joy resound and become the stuff of legend. Told in forthright and unpretentious prose, this epic journey of extraordinary endurance over hardship remains an entertaining account that exemplifies Socratic philosophy, clear Greek writing, and the bygone valor of remarkable warriors.

*Dissertation on Indirect Discourse in Antiphon, Andocides, and Lysias ...* Jul 26 2019

**Anabasis** Jun 16 2021 This anthology is a thorough introduction to classic literature for those who have not yet experienced these literary masterworks. For those who have known and loved these works in the past, this is an invitation to reunite with old friends in a fresh new format. From Shakespeare's finesse to Oscar Wilde's wit, this unique collection brings together works as diverse and influential as The Pilgrim's Progress and Othello. As an anthology that invites readers to immerse themselves in the masterpieces of the literary giants, it is must-have addition to any library

**Anabasis, the March Up Country: The Epic Story of Cyrus and the Ancient Greek Military's Quest to Regain the Persian Empire's Throne (Hardcover)** Aug 26 2019 All seven books of Xenophon's chronicles, detailing his time as a Greek mercenary who famously relieves the Spartan army, are presented here complete with informative notes. Through this book, we learn much of the life of an everyday soldier in one of the ancient world's most iconic armies. A member of the Ten Thousand - a company of Greek soldiers led by the heroic general and leader Cyrus, Xenophon witnessed first-hand the campaign to seize Persia by force from Cyrus's own brother: Artaxerxes II. It is soon discovered that Sparta's army is stranded deep behind enemy lines, and must be rescued. Xenophon, as one of three commanders, leads the effort to make contact with Clearchus of Sparta and escort his isolated forces to friendlier ground where essential supplies of food are present. The great route of Cyrus and much of this history is enhanced by Xenophon's accessible and evocative style, informed by his excellent education as a contemporary of Plato and Socrates.

**Xenophon: Anabasis Book III** Apr 26 2022 First comprehensive commentary on a section of Anabasis in English for a century, reflecting scholarly advances for students and scholars.

Arrian's History of the Expedition of Alexander the Great, and Conquest of Persia Feb 10 2021

**ANABASIS (ESPRIOS CLASSICS).** Jan 30 2020

*American Anabasis* Nov 29 2019 This wide-ranging and imaginative book tells the story of how American armies have followed figuratively in the footsteps of the original Anabasis, the Greek march into the interior of Asia made by Xenophon and the Ten Thousand in 400 BC.

*Plato's Republic I* May 04 2020 Facing each of the 44 pages of John Burnet's Greek edition of Plato's Republic I (originally published by Oxford University Press in 1903) is a single page of corresponding vocabulary and intermediate level grammatical commentary. Once readers have memorized the core vocabulary list, they will be able to read the classical Greek and consult all relevant vocabulary and commentary without turning the page.

**Xenophon's Anabasis** Mar 14 2021 Offers a novel reading of one of the ancient world's most famous and celebrated texts Xenophon's Anabasis has engaged and entertained readers from antiquity to the present day. Through his telling of the story of Cyrus the Younger's attempt on the Persian throne and its aftermath, Xenophon integrates many of the prominent themes and concerns in his writings, including leadership, panhellenism, Sparta and apologia. Adopting an interdisciplinary perspective, Brennan offers a fresh reading of the text which originates in a broad-ranging consideration of Xenophon's aims in writing the book some thirty years after the event. The central argument brings the presence of Socrates into relief and demonstrates how the author, representing himself in the story as a model pupil of the philosopher, perpetuates Socratic teachings and values through 'Xenophon's' leadership. Ultimately, Anabasis is revealed to be a 'Socratic history', a narrative rooted in a historical event or period and in which the author embeds a reflection of the philosopher and his values. Shane Brennan is Associate Professor of History at the American University in Dubai. He is co-editor of The Landmark Xenophon's Anabasis and author of a travelogue on Xenophon's march, *In the Tracks of the Ten Thousand*.

Xenophon's Anabasis and its Reception Apr 14 2021 This volume constitutes the first large-scale collaborative reflection on Xenophon's Anabasis, gathering experts on Greek historiography and Xenophon. It is structured in three sections: the first section provides a linear reading of the Anabasis through chapters on select episodes (from Book 1 through Book 7), including the opening, Cyrus' characterisation, the meeting of Socrates and Xenophon, Xenophon's leadership, the marches through Armenia and along the Black Sea coast and the service under Seuthes in Thrace. The second section offers an in-depth exploration of hitherto overlooked recurrent themes. Based on new approaches and scholarly trends, it focuses on topics such as the concept of friendship, the speeches of characters other than Xenophon, the suffering of the human body, the role of rumour and misrepresentation, and the depiction of emotions. The third section offers a more thorough investigation of the manifold reception of this work (in Antiquity, Byzantium, Renaissance, modern period, in cinema studies and illustrations). Finally, in acknowledgement of the Anabasis' long history as a pedagogical text, the volume contains an envoi on the importance and benefits of teaching Xenophon and the Anabasis, more specifically.

**The First Four Books of Xenophon's Anabasis (Dodo Press)** Mar 26 2022 Xenophon (431-355 BC), son of Gryllus, of the deme Erchia of Athens, was a soldier, mercenary and an admirer of Socrates. He is known for his writings on the history of his own times, the sayings of Socrates, and the life of Greece. He participated in the expedition led by Cyrus the Younger against his older brother, the emperor Artaxerxes II of Persia, in 401 BC. His record of the entire expedition against the Persians and the journey home was titled Anabasis (The Expedition or The March Up Country). He was later exiled from Athens, most likely because he fought under the Spartan king Agesilaus against Athens at Coronea. The Spartans gave him property at Scillus, near Olympia in Elis, where he composed the Anabasis. His writings are often read by beginning students of the Greek language. His Hellenica is a major primary source for events in Greece from 411 to 362 BC, and his Socratic writings, preserved complete, are the only surviving representatives of the genre of Sokratikoi logoi other than the dialogues of Plato.

Report of the Commissioner of Education Sep 07 2020

*Anabasis* May 28 2022 In 401 B.C. Xenophon and twelve thousand cheated Greek mercenaries find themselves stuck in the middle of the world's largest empire, Persia. Betrayed, outnumbered and besieged. The king gives them two options; surrender unconditionally and face a life of slavery or die. They decide to take the third option and fight their way home!
